NOTICE REGARDING NEW SUB-ADVISERS

Blackstone Alternative Investment Advisors LLC (“BAIA”), the investment adviser to Blackstone Alternative Multi-Strategy Fund (the “Fund”), a series of Blackstone Alternative Investment Funds (the “Trust”), seeks to achieve the Fund’s investment objective by, in part, allocating the Fund’s assets among investment sub-advisers with experience managing alternative investment strategies. This Information Statement is being provided to the Fund’s shareholders in lieu of a proxy statement, pursuant to the terms of an exemptive order received from the Securities and Exchange Commission (the “SEC”) on March 13, 2017. This exemptive order permits BAIA to enter into and amend materially sub-advisory agreements with discretionary and non-discretionary investment sub-advisers that are either unaffiliated with BAIA or that are directly or indirectly wholly-owned subsidiaries of The Blackstone Group, Inc. (“Blackstone”) without seeking the approval of the Fund’s shareholders, so long as certain conditions are satisfied. This Information Statement is to inform you that, at BAIA’s recommendation, the Trust’s Board of Trustees (the “Board”) has recently approved Shelter Growth Capital Partners LLC (“Shelter Growth”) and Luminus Management, LLC (“Luminus”), each of which is unaffiliated with BAIA, as sub-advisers to the Fund.

**WE ARE NOT ASKING YOU FOR A PROXY AND
YOU ARE REQUESTED NOT TO SEND US A PROXY.**

THE FUND AND THE ADVISORY AGREEMENT

BAIA serves as the investment adviser to the Fund pursuant to an Investment Advisory Agreement dated March 17, 2014, as amended (the “Advisory Agreement”). BAIA seeks to achieve the Fund’s investment objective by allocating the Fund’s assets among a variety of non-traditional or “alternative” investment strategies, including, in part, by allocating the Fund’s assets among sub-advisers with experience managing alternative investment strategies. BAIA also manages a portion of the Fund’s assets directly and, from time to time, may instruct sub-advisers with respect to particular investments. BAIA is responsible for selecting the Fund’s investment strategies, for identifying and retaining sub-advisers with expertise in the selected strategies, and for determining the amount of Fund assets to allocate to each sub-adviser or to manage directly.

BAIA may adjust allocations from time to time among strategies or sub-advisers based on its assessment of market conditions and/or sub-adviser strategies and has discretion to not allocate any assets to one or more sub-advisers at any time. BAIA currently intends to generally consider the following factors as part of its sub-adviser screening process, although the factors considered from time to time or with respect to any one sub-adviser may vary and may include only some or none of the factors listed below or other factors that are not listed below:

- **Attractive long-term risk-adjusted investment performance:** BAIA seeks to choose sub-advisers focused on alternative strategies that it believes will produce attractive long-term risk-adjusted returns over a full market cycle.
- **Skilled application of non-traditional investment techniques:** BAIA believes that attractive risk-adjusted investment returns can sometimes be found outside traditional investment strategies that rely on relative performance against public market equity and fixed income benchmarks. BAIA seeks to choose sub-advisers who use “non-traditional” investment approaches, which often seek to take advantage of market inefficiencies and other factors in order to outperform the underlying markets of their investments.

- **Opportunistic approach to investing:** Among the sub-advisers sought out by BAIA, BAIA may choose “opportunistic” sub-advisers who are willing to make substantial investments based on the direction the sub-adviser anticipates a particular market, markets, or individual securities will take. These sub-advisers may make “directional investments” and frequently use leverage to attempt to produce attractive returns. It is possible that BAIA may make only relatively short-term allocations to sub-advisers that specialize in opportunistic trades.
- **Management stability and committed investment professionals:** BAIA believes the ability to generate attractive risk-adjusted returns over a full market cycle, especially when the application of sophisticated non-traditional techniques is involved, is dependent upon the performance of committed investment professionals. No matter how appealing the investment concept, BAIA believes that attractive risk-adjusted returns can only be generated by committed people operating in a stable environment.
- **Ongoing monitoring:** Once selected, the performance of each sub-adviser is regularly reviewed, and new sub-advisers are identified and considered on an on-going basis. In addition, the allocation of the Fund’s assets among sub-advisers, approaches, and styles will be regularly monitored and may be adjusted in response to performance results or changing economic conditions. BAIA reviews a number of quantitative and qualitative factors in connection with the allocation of the Fund’s assets, including, without limitation, macroeconomic scenarios, diversification, strategy capacity, regulatory constraints, and the fees associated with the strategy.

Each sub-adviser selected by BAIA and approved by the Board enters into a sub-advisory agreement with BAIA, pursuant to which each discretionary sub-adviser is delegated responsibility for the day-to-day management of the assets of the Fund or of one or more of the wholly-owned subsidiaries of the Fund allocated to it (the “Allocated Portion”). BAIA compensates the sub-advisers out of the management fee it receives from the Fund. Each discretionary sub-adviser makes investment decisions for the assets it has been allocated to manage, subject to the overall supervision of BAIA. BAIA oversees each sub-adviser for compliance with the Fund’s investment objective, policies, strategies, and restrictions, and monitors each sub-adviser’s adherence to its investment style. In allocating the Fund’s assets, BAIA has discretion to not allocate any assets to one or more sub-advisers at any time.

THE NEW SUB-ADVISORY AGREEMENTS

At a meeting of the Board held on February 20-21, 2020, the Board, including a majority of the Board members who are not interested persons of the Fund within the meaning of the Investment Company Act of 1940, as amended (the “1940 Act”) (the “Independent Trustees”), approved each of Shelter Growth and Luminus as sub-advisers to the Fund and, in connection therewith, also approved a sub-advisory agreement between BAIA and Shelter Growth and a sub-advisory agreement between BAIA and Luminus. The sub-advisory agreement with Shelter Growth became effective as of March 1, 2020 and the sub-advisory agreement with Luminus became effective as of April 20, 2020.

Under its sub-advisory agreement, subject to the supervision and oversight of BAIA, each of Shelter Growth and Luminus will furnish continuously an investment program for the Fund, determining what investments to purchase, hold, sell, or exchange and what portion of the Fund’s assets to hold uninvested, with respect to its Allocated Portion, in compliance with the Fund’s governing documents, registration statement, investment objective, policies, and restrictions, and applicable law and subject to the oversight of the Board.

Each sub-adviser is responsible for its expenses incurred in connection with managing its Allocated Portion. Each sub-adviser receives, as compensation for its services, fees from BAIA (not the Fund) each quarter based on an annual percentage of the average daily net assets of its Allocated Portion.

The initial term of the new sub-advisory agreement with Shelter Growth extends until March 1, 2022 and the initial term of the sub-advisory agreement with Luminus extends until April 20, 2022. After the initial term, each sub-advisory agreement shall continue in effect for successive periods of no more than twelve (12) months each,

only so long as such continuance is specifically approved at least annually (i) by the Board or by vote of a majority of outstanding voting securities of the Fund, and (ii) by a majority of the Independent Trustees.

Each sub-advisory agreement may be terminated, without penalty, (a) by the Board, or by a vote of a majority of the outstanding voting securities of a Fund, upon 60 days' written notice to BAIA and the sub-adviser; (b) by the sub-adviser upon 60 days' written notice to BAIA and the Fund; or (c) by BAIA upon 61 days' written notice to the sub-adviser. Each sub-advisory agreement may also be terminated by BAIA immediately upon a material breach of the agreement by the sub-adviser, which is not promptly cured. Each sub-advisory agreement will terminate automatically in the event of its assignment or the termination of the Advisory Agreement. In addition, at the discretion of BAIA, (a) the agreement with Shelter Growth may be terminated (i) if Shelter Growth or Dan Sparks, Kevin Gasvoda, or Justin Mahoney is accused in any regulatory, self-regulatory, or judicial proceeding of violating federal securities laws or engaging in criminal conduct or (ii) in the event Dan Sparks, Kevin Gasvoda, or Justin Mahoney ceases to be employed by Shelter Growth or ceases to oversee the assets allocated by the BAIA; and (b) the agreement with Luminus may be terminated (i) if Luminus or any executive officer, director, or key portfolio manager of Luminus is accused in any regulatory, self-regulatory, or judicial proceeding of violating federal securities laws or engaging in criminal conduct constituting a felony or (ii) in the event Jonathan Barrett, Adam Weitzman, or Derek Rogers ceases to be employed by Luminus or ceases to oversee the assets allocated by the BAIA. The Luminus sub-advisory agreement also may be terminated by Luminus immediately by written notice to the BAIA upon (a) a change in the laws (including tax laws), rules, or regulations (including rules and regulations of self-regulatory agencies with jurisdiction over the Fund, BAIA, or Luminus) applicable to the Fund that, in the Luminus's good faith determination after consultation with BAIA, could reasonably be expected to result in a material change (including a material increase of expense) in the manner in which the strategy is implemented; (b) any change in procedures or instructions from BAIA, the Board, or any service provider to the Fund or the Trust that, in Luminus's good faith reasonable discretion, would make it impracticable or unreasonable for Luminus to continue to implement the strategy with respect to the Allocated Portion; or (c) BAIA's assumption of direct responsibility for any function delegated to Luminus.

Under the exemptive order referenced above, so long as certain conditions are satisfied, each sub-advisory agreement may be amended materially without shareholder approval. However, the exemptive order requires generally that shareholders of the Fund receive notice within 90 days of the hiring of a new sub-adviser and that the Fund provide shareholders with information that is similar to that which would have been included in a proxy statement to shareholders.

The existing sub-advisers' sub-advisory agreements and services provided pursuant to such agreements are unchanged as a result of the Board's approval of the new sub-advisers, except that the amount of each existing sub-advisers' Allocated Portions may change as a result of the addition of the new sub-advisers.

The form of each of the sub-advisory agreements with Shelter Growth and Luminus is attached as Exhibit A.

BOARD CONSIDERATIONS

At its meetings on February 20-21, 2020, the Board, including a majority of the Independent Trustees, approved the sub-advisory agreements with each of Shelter Growth and Luminus. At the meetings, the Board had discussions with BAIA and reviewed and considered various written materials and oral presentations in connection with each of Shelter Growth's and Luminus's proposed services, including with respect to the nature, extent, and quality of services, profitability, fees and expenses, investment performance, code of ethics, and compliance program. Additionally, the Board considered the process undertaken during its consideration and approval of the Advisory Agreement between BAIA and the Trust, on behalf of the Fund, and the sub-advisory agreements between BAIA and each of the existing sub-advisers. The Board (and separately, the Independent Trustees) conferred with the Independent Trustees' independent legal counsel to consider the information provided.

Following an analysis and discussion of the factors identified below, the Board, including a majority of the Independent Trustees, approved the sub-advisory agreement with Shelter Growth and the sub-advisory agreement with Luminus.

Nature, Extent, and Quality of the Services

SHELTER GROWTH

The Board discussed and considered (1) Shelter Growth's personnel, operations, and financial condition; (2) Shelter Growth's strengths, including its ability to target exposures in single asset, single borrower commercial mortgage-backed securities, asset-backed securities, residential mortgage-backed securities, and

multi-family mortgage-backed securities; (3) a general framework for determining the percentage of assets that would be allocated to Shelter Growth; (4) the potential investment return on the assets that would be managed by Shelter Growth and related investment risks; (5) Shelter Growth's experience and performance as a hedge fund manager and the extent to which Shelter Growth's strategy for the Fund is expected to overlap with its hedge fund strategy; and (6) the experience and depth of Shelter Growth's portfolio management team managing other products and its ability to manage risk. The Board concluded that the nature, extent, and quality of the sub-advisory services provided were appropriate and thus supported a decision to approve the proposed initial sub-advisory agreement with Shelter Growth.

LUMINUS

The Board discussed and considered (1) Luminus's personnel, operations, and financial condition; (2) Luminus's strengths, including its capabilities across the value chains of the energy and power sectors; (3) a general framework for determining the percentage of assets that would be allocated to Luminus; (4) the potential investment return on the assets that would be managed by Luminus and related investment risks; (5) Luminus's experience and performance as a hedge fund manager and the extent to which Luminus's CCA strategy for the Fund is expected to overlap with its hedge fund strategy; and (6) the experience and depth of Luminus's portfolio management team managing other products and its ability to manage risk. The Board concluded that the nature, extent, and quality of the sub-advisory services provided were appropriate and thus supported a decision to approve the proposed sub-advisory agreement with Luminus.

Costs of Services and Profitability

In analyzing the cost of services and profitability of each of Shelter Growth and Luminus, the Board discussed (i) each sub-adviser's sub-advisory fee for managing the allocated assets of the Fund; (ii) each sub-adviser's resources devoted or expected to be devoted to the Fund for investment analysis, risk management, compliance, and order execution; and (iii) any information provided in response to inquiries regarding the profitability of each sub-adviser from providing sub-advisory services to the Fund. The Board considered the specific resources that each of Shelter Growth and Luminus is expected to devote to the Fund for investment analysis, risk management, compliance, and order execution, and the extent to which each sub-adviser's investment process is or would be scalable.

The Board noted that the compensation paid to each sub-adviser was paid by BAIA, not the Fund, and, accordingly, that the retention of each sub-adviser did not increase the fees or expenses otherwise incurred by shareholders of the Fund. It also noted that the terms of each sub-advisory agreement were the result of separate arm's-length negotiations between BAIA and the sub-adviser. The Board considered information comparing the proposed sub-advisory fees to the fees that each sub-adviser charges for providing investment advisory services to certain other clients. The Board also considered information regarding the potential impact that retaining each of Shelter Growth and Luminus as sub-advisers to the Fund may have on BAIA's profitability, as well as information about the blended average of all sub-advisory fees that BAIA was expected to pay the sub-advisers based on anticipated allocations of Fund assets among the sub-advisers. The Board concluded that the level of investment sub-advisory fees was appropriate in light of the services to be provided.

Economies of Scale

The Board discussed various financial and economic considerations relating to the proposed arrangement with each of Shelter Growth and Luminus, including the potential for economies of scale. The Board noted that it would have the opportunity to periodically re-examine whether the Fund had achieved economies of scale, as well as the appropriateness of sub-advisory fees payable, with respect to different asset sizes of the portfolio, in the future. The Board also noted that, although not directly related to the sub-advisory fee payable to the sub-adviser, certain Fund expenses were subject to an expense cap, an undertaking by BAIA intended to limit the Fund's overall expenses at smaller asset levels, although the Fund's expenses were sufficiently limited such that the expense cap did not currently apply.

Other Benefits

The Board discussed other potential benefits that each of Shelter Growth and Luminus may receive from the Fund, including soft dollar arrangements, receipt of brokerage and research services, and the opportunity to offer additional products and services to Fund shareholders or BAIA. The Board noted that each sub-adviser benefited from its relationship with BAIA. The Board concluded that other ancillary or “fall out” benefits derived by each sub-adviser from its relationship with BAIA or the Fund, to the extent such benefits were identifiable or determinable, were reasonable and fair, resulted from the provision of appropriate services to the Fund and its shareholders, and were consistent with industry practice and the best interests of the Fund and its shareholders.

Other Considerations

The Board reviewed and considered certain terms and conditions of each sub-advisory agreement. After discussion, the Board concluded that the terms of each sub-advisory agreement were reasonable and fair. It was noted that the Board would have the opportunity to periodically re-examine the terms of the sub-advisory agreement in the future.

Conclusion

The Board, including all of the Independent Trustees, concluded that the fees payable under each sub-advisory agreement were fair and reasonable with respect to the services that Shelter Growth and Luminus would each provide to the Fund and in light of the other factors described above that the Board deemed relevant. The Board also considered information that it had received regarding BAIA’s review of each sub-adviser’s compliance program. The Board based its approval of each of the sub-advisory agreements on a comprehensive consideration of all relevant information presented to the Board at its meetings throughout the year, as applicable, and not as a result of any single controlling factor. The Board was also assisted by the advice of independent legal counsel in approving the sub-advisory agreements.

1. **Appointment.**

- a. Role of Sub-Adviser. The Adviser hereby appoints the Sub-Adviser to act as an investment adviser for the Fund, subject to the oversight and direction of the Adviser and the Board, for so long as this Agreement remains in effect. Without limiting the generality of the previous statement, the Sub-Adviser shall manage the investment and reinvestment of the assets of the Fund allocated to it in accordance with such investment strategies and within such limitations as the Adviser and the Sub-Adviser shall agree from time to time (collectively the “**Strategy**”). The Adviser also recognizes that the Sub-Adviser may be or become associated with other investment entities and engage in investment management for others. Except to the extent necessary to perform its obligations hereunder, nothing herein shall be deemed to require the Sub-Adviser to devote any minimum amount of time or attention to the management of the Allocated Portion. The Sub-Adviser may on occasion give advice or take action with respect to other investment entities that it manages that differs from the advice given with respect to the Allocated Portion.

Sub-Adviser will be provided access to materials relating to such proxies in a timely fashion by the Fund’s proxy agent. The Sub-Adviser may use recommendations from a third party in order to make voting decisions and may use a third

party service provider to execute the voting. The Sub-Adviser shall provide disclosure regarding its proxy voting policies and procedures in accordance with the requirements of Form N-1A for inclusion in the Registration Statement of the Trust. The Sub-Adviser shall act on any reasonable written instructions of the Adviser with respect to the investment activities used to manage the Allocated Portion to ensure the Fund's compliance with the Governing Documents, Procedures, and applicable law.
- j. Daily Transmission of Information to Custodian. In connection with any purchase and sale of securities or other instruments for the Allocated Portion, the Sub-Adviser will arrange for the transmission to the custodian for the Fund (the "**Custodian**") on a daily basis such confirmation, trade tickets, and other documents and information, including, but not limited to, CUSIP, Sedol, or other numbers that identify the securities or other instruments to be purchased or sold on behalf of the Fund, as may be reasonably necessary to enable the Custodian to perform its custodial, administrative, and recordkeeping responsibilities with respect to the Fund. Copies of such confirmations, trade tickets, and other documents and information shall be provided concurrently to the Administrator. With respect to securities or other instruments to be settled through the Fund's Custodian, the Sub-Adviser will arrange for the prompt transmission of the confirmation of such trades to the Custodian. The parties acknowledge that the Sub-Adviser is not a custodian of the Fund's assets and will not take possession or custody of such assets.

- m. Code of Ethics. The Sub-Adviser will maintain a written code of ethics (the "**Code of Ethics**") that complies with the requirements of Rule 17j-1 under the 1940 Act ("**Rule 17j-1**"), a copy of which will be provided to the Adviser and the Fund, and will institute procedures reasonably necessary to prevent any Access Person (as defined in Rule 17j-1) from violating its Code of Ethics. The Sub-Adviser will follow such Code of Ethics in performing its services under this Agreement. The Sub-Adviser also will certify quarterly to the Trust on behalf of the Fund and the Adviser that it and its "Advisory Persons" (as defined in Rule 17j-1) have complied materially with the requirements of Rule 17j-1 during the previous quarter or, if not, explain what the Sub-Adviser has done to seek to ensure such compliance in the future. Annually, the Sub-Adviser will furnish a written report, which complies with the requirements of Rule 17j-1 and Rule 38a-1, concerning the Code of Ethics and its compliance program, respectively, to the Trust and the Adviser. The Sub-Adviser shall notify the Adviser promptly upon becoming aware of any material violation of the Code of Ethics involving the Fund. Upon request of the Board or the Chief Compliance Officer on behalf of the Fund or the Adviser with respect to violations of the Code of Ethics directly affecting the Fund, the Sub-Adviser will permit representatives of the Trust or the Adviser to examine reports (or summaries of the reports) required to be made by Rule 17j-1 relating to enforcement of the Code of Ethics. Further, the Sub-Adviser represents and warrants that it has policies and procedures regarding the detection and prevention of the misuse of material, nonpublic information by the Sub-Adviser and its employees.
- n. Sub-Adviser Review of Materials. Upon the Adviser's reasonable request, the Sub-Adviser shall review and comment upon selected portions relating to the Sub-Adviser and/or the Strategy (including the Allocated Portion) of the Registration Statement, other offering documents and ancillary sales and marketing materials prepared by the Adviser for the Fund (with respect to the Sub-Adviser's provision of the services under this Agreement or the Strategy or performance with respect to the Allocated Portion), and participate, at the reasonable request of the Adviser and as mutually agreed to by the Sub-Adviser, in educational meetings with placement agents and other intermediaries about portfolio management and investment-related matters of the Fund. The Sub-Adviser will promptly inform the Fund and the Adviser upon becoming aware that any information in the Registration Statement relating to the Sub-Adviser or the Strategy is (or will become) inaccurate or incomplete.

To the extent that such inspections, notices, or inquiries relate to the Fund, the Sub-Adviser shall promptly make available such documents to the Adviser

unless the Sub-Adviser reasonably decides that it would be legally prohibited from doing so. Notwithstanding the foregoing, the Sub-Adviser shall not be required to provide the Adviser notice of any routine exams or sweep exams conducted by any governmental, administrative or self-regulatory agency unless such exams (i) relate to the Sub-Adviser's management of the Allocated Portion or that otherwise relate to the Fund or (ii) that involve matters that could reasonably be viewed as material to the Sub-Adviser's ability to provide services to the Fund.

- p. Notice of Material Actions / Change in Control. On occasions when the Sub-Adviser deems the purchase or sale of a security to be in the best interest of the Fund as well as other clients of the Sub-Adviser, the Sub-Adviser may, in accordance with applicable law and any relevant Sub-Adviser Procedures, aggregate the securities to be so purchased or sold with other orders for other clients of the Sub-Adviser in order to obtain best execution. In such event, allocation of the securities so purchased or sold, as well as of the fees and expenses incurred in the transaction, will be made by the Sub-Adviser consistent with the Procedures and in the manner it considers to be equitable and consistent with its fiduciary obligations to the Fund and to such other clients.

On an ongoing basis, at such times as the Adviser or the Board shall request, the Sub-Adviser will provide a written report to the Adviser and the Board, in a form reasonably agreed between the Sub-Adviser and the Adviser, summarizing (i) the brokerage details with respect to transactions executed by the Sub-Adviser for the Allocated Portion and (ii) the "soft dollar" arrangements that the Sub-Adviser maintains with brokers or dealers that execute transactions for the Allocated Portion, and of all research and other services provided to the Sub-Adviser by a broker or dealer (whether prepared by such broker or dealer or by a third party) as a result, in whole or in part, of the direction of Fund transactions for the Allocated Portion to the broker or dealer.

“**Fund’s Books and Records**”). The Sub-Adviser agrees that the Fund’s Books and Records are the Fund’s property and further agrees to surrender promptly to the Trust or the Adviser the Fund’s Books and Records upon the request of the Board or the Adviser; *provided, however*, that the Sub-Adviser may retain copies of the Fund’s Books and Records at its own cost. The Sub-Adviser acknowledges and agrees that the Adviser, the Fund and the Fund's selling agents will use such names in marketing the Fund to current and prospective investors. The Adviser and the Fund shall cease to use the name of the Sub-Adviser in any newly printed materials (except as may, in the sole discretion of the Adviser, be reasonably necessary to comply with applicable law) promptly upon termination of this Agreement with respect to the Fund. During the term of this Agreement, the Sub-Adviser shall have the right, upon reasonable request and at its own expense, to review all sales and other marketing materials utilizing the name of the Sub-Adviser and any combination or derivation thereof, *provided, however*, that if the Sub-Adviser fails to comment in writing (including via e-mail) by the end of the third business day after delivery of such materials, the Sub-Adviser will be deemed to have granted consent on the end of the third business day following delivery of such materials to the Sub-Adviser for approval.

- b. Restrictions on Use of Adviser's Name. The Sub-Adviser shall not use the name of the Trust, the Fund, the Adviser, "Blackstone Alternative Asset Management L.P." or "Blackstone" (or any combination or derivation thereof) in any material relating to the Sub-Adviser in any manner not approved prior thereto in writing by the Adviser (other than inclusions of such entities in lists of the Sub-Adviser's clients or as required by applicable law). Each of the Adviser and the Sub-Adviser represents and warrants that it will not make, or cause or allow any of its affiliates to make, any oral or written statement to any third party that disparages, defames, or reflects adversely upon the Trust, the Fund, the Adviser or the Sub-Adviser, as applicable. - a. Absent the Sub-Adviser's breach of this Agreement or the willful misconduct, bad faith, gross negligence, or reckless disregard of the obligations or duties hereunder on the part of the Sub-Adviser, or its officers, directors, partners, agents, employees, and controlling persons, the Sub-Adviser shall not be liable for any act or omission in the course of, or connected with, rendering services hereunder or for any losses that may be sustained in the purchase, holding, or sale of any position; *provided, however*, that the obligations of the Sub-Adviser with respect to a "Trade Error" or "Compliance Error" (as defined in the Procedures, as the same may be amended from time to time) shall be as set forth in the Procedures. Prior to effecting any material change to the definitions in the Procedures of Trade Error or Compliance Error (or to any associated obligations or liabilities of the Sub-Adviser), the Adviser agrees to provide written notice to the Sub-Adviser at least 35 days prior to the material change becoming effective with respect to the Allocated Portion unless, in the reasonable discretion of the Adviser, such change must become effective earlier due to any applicable law, rule, regulation or court order. For the avoidance of doubt, it is acknowledged and agreed that the indemnity in this Section 9(c) shall not operate to limit in any way the indemnification granted by the Sub-Adviser to the Adviser, the Fund, or the Trust (on behalf of the Fund) in Section 9(a) above.
- d. The Adviser shall indemnify the Sub-Adviser and each of its partners/members, officers, employees and shareholders, and each person, if any, who controls the Sub-Adviser within the meaning of Section 15 of the Securities Act, against, and hold them harmless from, any and all Losses asserted by any third party in so far as such Losses (or actions with respect thereto) arise out of or are based upon (i) any actual material misstatement or omission in the Fund's Registration Statement, any proxy statement, or communication to current or prospective investors in the Fund (other than a misstatement or omission relating to disclosure provided in written materials to the Adviser or the Fund by the Sub-Adviser for inclusion in such documents); (ii) any action or inaction by the Sub-Adviser that the Sub-Adviser has made or refrained from making, as applicable, in good faith pursuant to and consistent with the Adviser's written instructions to the Sub-Adviser; or (iii) the bad faith, willful misconduct, or gross negligence by the Adviser in the performance of its duties under this Agreement or reckless disregard of its obligations or duties hereunder.

No Indemnifying Party shall be liable under this section for any settlement of any Proceeding entered into without its consent with respect to which indemnity may be sought hereunder.
- f. The rights of indemnification provided in this section shall not be exclusive of or affect any other rights to which any person may be entitled by contract or otherwise by law.

Blackstone Alternative Multi-Strategy Fund

INVESTMENT SUB-ADVISORY AGREEMENT

AGREEMENT, effective as of April 15, 2020, between Blackstone Alternative Investment Advisors LLC, a Delaware limited liability company (the “**Adviser**”), and Luminus Management, LLC, a Delaware limited liability company (the “**Sub-Adviser**”).

WHEREAS, the Adviser has entered into an Investment Advisory Agreement (the “**Advisory Agreement**”) with Blackstone Alternative Investment Funds, a Massachusetts business trust (the “**Trust**”), on behalf of its series, Blackstone Alternative Multi-Strategy Fund (the “**Fund**”), relating to the provision of portfolio management services to the Fund; and

WHEREAS, the Trust is registered as an open-end management investment company under the Investment Company Act of 1940, as amended (the “**1940 Act**”); and

WHEREAS, the Advisory Agreement provides that the Adviser may delegate any or all of its portfolio management responsibilities under the Advisory Agreement to one or more sub-investment advisers; and

WHEREAS, in selecting sub-investment advisers and entering into and amending sub-advisory agreements, the Adviser and the Trust may rely upon an exemptive order (the “**Exemptive Order**”) obtained from the Securities and Exchange Commission (“**SEC**”), provided that the Adviser and the Trust comply with the terms and conditions set forth therein; and

WHEREAS, the Adviser and the Board of Trustees (the “**Board**”) of the Trust desire to retain the Sub-Adviser to render portfolio management services to the Fund in the manner and on the terms set forth in this Agreement.

NOW THEREFORE, in consideration of the mutual covenants and agreements set forth herein, the Adviser and the Sub-Adviser agree as follows:

1. Appointment.

- a. Role of Sub-Adviser. The Adviser hereby appoints the Sub-Adviser to act as an investment adviser for the Allocated Portion (as defined below) of the Fund, subject to the oversight and direction of the Adviser and the Board, for so long as this Agreement remains in effect. Without limiting the generality of the previous statement, the Sub-Adviser shall manage the investment and reinvestment of the portion of the assets of the Fund allocated to it in accordance with such investment strategies and within such limitations as the Adviser and the Sub-Adviser shall agree in writing from time to time (the “**Strategy**”). The Sub-Adviser acknowledges and agrees that the investment advisory and other services as set forth herein to be performed by the Sub-Adviser will apply only to the portion of the Fund’s assets that the Adviser or the Board shall from time to time designate, which may consist of all or a portion of the Fund’s assets (the “**Allocated Portion**”). The Sub-Adviser may provide the investment advisory and other services with respect to the Allocated Portion to the Fund and/or a wholly-owned subsidiary of the Fund: Blackstone Alternative Multi-Strategy Sub Fund II Ltd., Blackstone Alternative Multi-Strategy Sub Fund III LLC, and/or Blackstone Alternative Multi-Strategy Sub Fund IV LLC. As context requires, references to the “Fund” include Blackstone Alternative Multi-Strategy Sub Fund II Ltd.; Blackstone Alternative Multi-Strategy Sub Fund III LLC, and/or Blackstone Alternative Multi-Strategy Sub Fund IV LLC. The Sub-Adviser hereby accepts such appointment and agrees during such period, subject to the oversight of the Board and the Adviser, to render the services and to assume the obligations herein set forth for the compensation stated in Section 5 hereof. The Sub-Adviser shall for all purposes herein be deemed to be an independent contractor and shall, except as expressly provided or authorized (whether herein or otherwise), have no authority or obligation to act for or represent the Adviser, the Trust, or the Fund in any way.

- b. Limitations of Sub-Adviser's Responsibility. Except as expressly set forth in this Agreement, the Sub-Adviser shall not be responsible for any aspects of the Fund's investment program other than the management of the Allocated Portion in accordance with the Strategy.
- c. Sub-Advisory Arrangement Not Exclusive for Fund. It is acknowledged and agreed that the Adviser may appoint from time to time other sub-advisers in addition to the Sub-Adviser to manage the assets of the Fund that do not constitute the Allocated Portion and nothing in this Agreement shall be construed or interpreted to grant the Sub-Adviser an exclusive arrangement to act as the sole sub-adviser to the Fund. It is further acknowledged and agreed that the Adviser makes no commitment to designate any portion of the Fund's assets to the Sub-Adviser as the Allocated Portion.
- d. Sub-Advisory Arrangement Not Exclusive for Sub-Adviser. The Adviser recognizes that the Sub-Adviser and its principals, affiliates, officers and employees have investments of their own and are acting as investment managers, sub-advisers or general partners for other clients. The Adviser also recognizes that the Sub-Adviser may be or become associated with other investment entities and engage in investment management for others. Except to the extent necessary to perform the Sub-Adviser's obligations hereunder or as otherwise agreed to in writing by the parties, nothing herein shall be deemed to limit or restrict the right of the Sub-Adviser and its principals, affiliates, officers and employees to engage in, or to devote time and attention to the management of any other business, whether of a similar or dissimilar nature, or to render services of any kind to any other corporation, firm, individual or association. The Sub-Adviser may give advice or take action with respect to its other clients that differs from, or conflicts with, the advice given to the Adviser or the Fund with respect to the Allocated Portion.

2. **Sub-Adviser Duties.**

The Sub-Adviser is hereby granted (subject to the limitations set forth herein) the following authority and undertakes to provide the following services and to assume the following obligations:

- a. Supervision; Adviser Retains Certain Authority. In furnishing the services hereunder, the Sub-Adviser will be subject to the supervision of the Adviser and the Board to the extent necessary to comply with the terms of the Exemptive Order and applicable law. Upon written notice to the Sub-Adviser, the Adviser retains complete authority, to the extent permitted under the Advisory Agreement, to immediately assume direct responsibility for any function delegated to the Sub-Adviser under this Agreement.
- b. Continuous Investment Program. The Sub-Adviser shall formulate and implement a continuous investment program for the Allocated Portion in accordance with the Strategy, including determining what portion of such assets will be invested or held uninvested in cash or cash equivalents. Without limiting the generality of the foregoing, the Sub-Adviser is authorized to: (i) make investment decisions for the Fund in respect of the Allocated Portion, including decisions for the investment and reinvestment of the assets (including cash and cash-equivalent assets) held in the Allocated Portion; (ii) place purchase and sale orders for portfolio transactions in respect of the Allocated Portion and manage otherwise uninvested cash or cash equivalent assets of the Allocated Portion; (iii) use financial derivative instruments and any portfolio management techniques and instruments as may in the reasonable opinion of the Sub-Adviser be necessary in order to implement the Strategy; and (iv) subject to Section 2(d) below, execute account documentation, agreements, contracts, and other documents as may be requested by brokers, dealers, counterparties, and other persons in connection with the Sub-Adviser's management of the Allocated Portion (in such respect, and only for this limited purpose, the Sub-Adviser will, as necessary to effect such documentation, agreements, contracts and other documents, act as the Adviser's and the Fund's agent and attorney-in-fact).

- c. Management in Accordance with Fund Governing Documents and Procedures. The Sub-Adviser will manage the Allocated Portion subject to and in accordance with:
- i. the Strategy;
 - ii. the investment policies and restrictions of the Fund set forth in the Fund's Agreement and Declaration of Trust, as amended, By-Laws and the Fund's registration statement (as from time to time amended, supplemented, and in effect, the "**Registration Statement**") (collectively, the "**Governing Documents**"), in each case to the extent applicable to the Allocated Portion and previously notified in writing to the Sub-Adviser;
 - iii. the requirements applicable to registered investment companies under applicable laws, including without limitation the 1940 Act and the rules and regulations thereunder and the Internal Revenue Code of 1986, as amended, and the rules and regulations thereunder applicable to qualification as a "regulated investment company"; and
 - iv. any service level agreement that may be agreed between the parties from time to time; and any reasonable written instructions reasonably consistent with the Strategy which the Adviser or the Board may provide to the Sub-Adviser from time to time and which are not inconsistent with the Governing Documents and the Procedures (defined below), as determined by the Adviser. The Adviser acknowledges that the Sub-Adviser shall rely completely upon the Adviser's determination of whether and to what extent the Fund overall (*i.e.*, the Allocated Portion together with all other assets of the Fund) is in compliance with Subchapter M of the Code and the requirements of the 1940 Act, and that the Sub-Adviser has no separate and independent responsibility to test the Fund overall for any such compliance. For the avoidance of doubt and except as otherwise agreed in writing, in managing the Allocated Portion as set forth above, the Sub-Adviser shall have no responsibility whatsoever with respect to any assets of the Fund outside of the Allocated Portion.
- d. The Sub-Adviser also agrees to conduct its activities hereunder in accordance with any applicable procedures or policies adopted by the Board with respect to the Allocated Portion as from time to time in effect and communicated in writing to the Sub-Adviser (the "**Procedures**"). The Adviser has provided to the Sub-Adviser copies of all current Governing Documents and current Procedures and shall promptly provide to the Sub-Adviser any amendments or supplements thereto. The Adviser will provide reasonable notice to the Sub-Adviser of any relevant changes to the Governing Documents or the Procedures. The Adviser shall promptly furnish the Sub-Adviser with such additional information as may be reasonably necessary for or reasonably requested by the Sub-Adviser to perform its responsibilities pursuant to this Agreement or as the Sub-Adviser may otherwise reasonably request.
- e. Fund Counterparties. Subject to the Sub-Adviser's duty to seek best execution in accordance with its compliance policies and procedures adopted pursuant to Rule 206(4)-7 under the Investment Advisers Act of 1940, as amended (the "**Advisers Act**") (the "**Sub-Adviser Procedures**"), and subject to applicable law, including restrictions under the 1940 Act with respect to transactions with affiliates, the Sub-Adviser will utilize counterparties and/or clearing members for prime brokerage, futures clearing, listed and OTC options and swap services, ISDA services, and other transactions in financial derivative instruments under agreements set up by, and in the name of, the Adviser or the Fund. The Sub-Adviser will provide reasonable assistance to the Adviser in negotiating trading terms and other arrangements with counterparties and/or clearing members upon reasonable request. In effecting transactions for the Allocated Portion, the Sub-Adviser will utilize broker-dealers and swap execution facilities, if applicable, for trade execution selected by the Sub-Adviser, and accounts set up by the Sub-Adviser with such broker-dealers and swap execution facilities. The Adviser will be responsible for managing any collateral and margin requirements associated with investments made for the Allocated Portion (where applicable), including providing instructions to

the Custodian (as defined herein) and will perform in-house reconciliation procedures on such accounts.

- f. Reports. The Sub-Adviser shall render such reports to the Board and the Adviser as they may reasonably request concerning the investment activities of the Sub-Adviser with respect to the Allocated Portion. On each business day, the Sub-Adviser shall provide reports (to which the Adviser will have access) to the Fund's administrator (the "**Administrator**") regarding (i) the securities or other instruments, including, without limitation, cash and cash equivalents, held in the Allocated Portion; and (ii) the securities or other instruments purchased and sold for the Allocated Portion by the Sub-Adviser on such business day. Copies of such confirmations, trade tickets, and other documents and information shall be provided concurrently to the Administrator. With respect to securities or other instruments to be settled through the Fund’s Custodian, the Sub-Adviser will arrange for the prompt transmission of the confirmation of such trades to the Custodian. Subject to applicable law,

the Sub-Adviser will provide such additional information regarding such violations of the Code of Ethics involving the Fund as the Board or the Chief Compliance Officer on behalf of the Fund or the Adviser may reasonably request in order to assess the functioning of the Code of Ethics or any harm caused to the Fund from a violation of the Code of Ethics. To the extent that such inspections, notices, or inquiries relate to the Sub-Adviser's management of the Allocated Portion, the Sub-Adviser shall make available the relevant documents (or relevant portions of the documents) for inspection by the Adviser in accordance with Section 4(a), unless, in the opinion of the Sub-Adviser's counsel, the Sub-Adviser would be legally prohibited from doing so. Notwithstanding the foregoing, the Sub-Adviser shall not be required to provide the Adviser notice of any routine exams or sweep exams conducted by any governmental, administrative or self-regulatory agency unless such exams (i) relate to the Sub-Adviser's management of the Allocated Portion or (ii) involve matters that could reasonably be viewed as materially prejudicial to the Sub-Adviser's ability to manage the Allocated Portion.

The Adviser and the Fund shall have a limited, royalty-free license to use the name of the Sub-Adviser, including any short-form of such name, or any combination or derivation thereof, for the purpose of identifying the Sub-Adviser as a sub-adviser to the Fund. The Sub-Adviser acknowledges and agrees that the Adviser, the Fund and the Fund's selling agents will use such names in marketing the Fund to current and prospective investors. The license granted herein shall cease, and the Adviser and the Fund shall cease to use the name of the Sub-Adviser in any newly-printed or to-be-distributed materials (except as may, in the sole discretion of the Adviser, be reasonably necessary to comply with applicable law) promptly upon termination of this Agreement. During the term of this Agreement, the Sub-Adviser shall have the right, upon reasonable request and at its own expense, to review all sales and other marketing materials utilizing the name of the Sub-Adviser and any combination or derivation thereof, *provided, however*, that if the Sub-Adviser fails to comment in writing (including via e-mail) by the end of the fifth (5th) business day after delivery of such materials, the Sub-Adviser will be deemed to have granted consent on the end of the fifth (5th) business day following delivery of such materials to the Sub-Adviser for approval.

Each of the Adviser and the Sub-Adviser represents and warrants that it will not make, or cause or allow any of its affiliates to make, any oral or written statement to any third party that disparages, defames, or reflects adversely upon the Trust, the Fund, the Adviser or the Sub-Adviser, as applicable. For the avoidance of doubt, nothing in this Agreement shall restrict the Adviser, its affiliates, the Trust, or the Fund from making purely factual statements in required disclosures (including shareholder report discussions or Fund performance), in reports to the Trust's Board of Trustees, or in response to regulatory inquiries.
- d. Sub-Adviser's Use of Track-Record. hereunder. For the avoidance of doubt, it is acknowledged and agreed that the indemnity in this Section 9(c) shall not operate to limit in any way the indemnification granted by the Sub-Adviser to the Adviser, the Fund, or the Trust (on behalf of the Fund) in Section 9(a) above.

- d. The Adviser shall indemnify the Sub-Adviser and each of its partners/members, officers, employees and shareholders, and each person, if any, who controls the Sub-Adviser within the meaning of Section 15 of the Securities Act, against, and hold them harmless from, any and all Losses asserted by any third party in so far as such Losses (or actions with respect thereto) arise out of or are based upon (i) any actual material misstatement or omission in the Fund's Registration Statement, any proxy statement, or communication to current or prospective investors in the Fund (other than a misstatement or omission relating to disclosure provided to the Adviser or the Fund by the Sub-Adviser for inclusion in such documents); (ii) any action or inaction by the Sub-Adviser that the Sub-Adviser has taken or refrained from taking, as applicable, in good faith pursuant to and consistent with the Adviser's written instructions to the Sub-Adviser (including actions taken or refrained from in order to comply with the Procedures and the Governing Documents); or (iii) the bad faith, willful misconduct, or gross negligence by the Adviser in the performance of its duties under this Agreement or reckless disregard of its obligations or duties hereunder.

No Indemnifying Party shall be liable under this section for any settlement of any Proceeding entered into without its consent (not to be unreasonably withheld or delayed) with respect to which indemnity may be sought hereunder.
- f. The rights of indemnification provided in this section shall not be exclusive of or affect any other rights to which any person may be entitled by contract or otherwise by law.

The Adviser represents, warrants and further covenants as follows:

- a. Duly Organized / Good Standing. It is duly organized, validly existing, and in good standing as a limited liability company under the laws of the State of Delaware, and is qualified to do business in each jurisdiction in which failure to be so qualified would reasonably be expected to have a material adverse effect upon it.
- b. Authority. The execution, delivery and performance by the Adviser of this Agreement are within the Adviser’s powers and have been duly authorized by all necessary action, and no action by or in respect of, or filing with, any governmental body, agency or official is required on the part of the Adviser for the execution, delivery and performance of this Agreement, and the execution, delivery and performance of this Agreement by the Adviser does not contravene or constitute a default under (i) any provision of applicable law, rule or regulation applicable to the Adviser, (ii) the Adviser’s governing instruments, or (iii) any agreement, judgment, injunction, order, decree or other instruments binding upon the Adviser. Any individuals whose signatures are affixed to this Agreement on behalf of the Adviser have full authority and power to execute this Agreement on behalf of the Adviser.
- c. Enforceable Agreement. This Agreement is enforceable against the Adviser in accordance with its terms, subject as to enforcement to bankruptcy, insolvency, reorganization, arrangement, moratorium, and other similar laws of general applicability relating to or affecting creditors’ rights and to general equity principles.

- d. Registered Investment Adviser; CFTC Registration. The Adviser (i) is duly registered as an investment adviser under the Advisers Act and will continue to be so registered for so long as this Agreement and the Advisory Agreement with the Trust remain in effect, (ii) is not prohibited by the 1940 Act or the Advisers Act from performing the services contemplated by the Advisory Agreement with the Trust, (iii) has appointed a Chief Compliance Officer under Rule 206(4)-7 under the Advisers Act, (iv) has adopted written policies and procedures that are reasonably designed to prevent violations of the Advisers Act from occurring and correct promptly any violations that have occurred, (v) has materially met and will seek to continue to materially meet for so long as this Agreement remains in effect, any other applicable federal or state requirements, or the applicable requirements of any regulatory or industry self-regulatory agency, and (vi) will promptly notify the Sub-Adviser of the occurrence of any event that would disqualify the Adviser from serving as an investment adviser of a registered investment company pursuant to Section 9(a) of the 1940 Act. The Adviser is duly registered as a commodity pool operator and commodity trading advisor with the CFTC and is a member in good standing of the National Futures Association, and will maintain such registration and membership in good standing for so long as this Agreement remains in effect or will be exempt from such registration and membership.
- e. No Material Pending Actions. To the best of its knowledge, there are no material pending, threatened, or contemplated actions, suits, proceedings, or investigations before or by any court, governmental, administrative, or self-regulatory body, board of trade, exchange, or arbitration panel to which it or any of its directors, officers, employees, partners, shareholders, members or principals, or any of its affiliates, is a party or to which it or its affiliates or any of its or its affiliates' assets are subject, nor has it or any of its affiliates received any notice of an investigation, inquiry, or dispute by any court, governmental, administrative, or self-regulatory body, board of trade, exchange, or arbitration panel regarding any of its or their respective activities which, if adversely determined, would result in a material adverse effect on the Fund, a material adverse change in the Adviser's financial or business prospects or which, if adversely determined, would materially impair the Adviser's ability to discharge its obligations under this Agreement or the Advisory Agreement with the Trust.
- f. Licenses and Registrations. It has all governmental, regulatory, self-regulatory and exchange licenses, registrations, memberships and approvals required to act as investment adviser to the Fund and it will obtain and maintain any such required licenses, registrations, memberships and approvals.
- g. Ongoing Representations and Warranties. If, at any time during the term of this Agreement, the Adviser discovers any fact or omission, or any event or change of circumstances has occurred, which would make any of its representations and warranties in this Agreement inaccurate or incomplete in any material respect, the Adviser will provide prompt written notification to the Sub-Adviser of such fact, omission, event, or change of circumstance, and the facts related thereto. The Adviser agrees that it will provide prompt notice to the Sub-Adviser in the event that: (i) the Adviser makes an assignment for the benefit of creditors, files a voluntary petition in bankruptcy, or is otherwise adjudged bankrupt or insolvent by a court of competent jurisdiction; or (ii) a material event occurs that could reasonably be expected to adversely impact the Adviser's ability to perform its duties under this Agreement.

14. Renewal, Termination and Amendment.

- a. Renewal. This Agreement shall continue in effect until two years from the effectiveness date, and thereafter for successive periods of no more than twelve (12) months each, only so long as such continuance is specifically approved at least annually (i) by a vote of the Trustees of the Trust or by vote of a majority of outstanding voting securities of the Fund and (ii) by vote of a majority of the Trustees who are not "interested persons" of the Trust (as defined in the 1940 Act) or of any person party to this Agreement, in each case in accordance with the requirements of the 1940 Act and any exemptive orders applicable to the Adviser and/or the Fund.

- b. Termination. This Agreement may be terminated at any time without payment of any penalty (i) by the Board, or by a vote of a majority of the outstanding voting securities of the Fund, upon 60 days' prior written notice to the Adviser and the Sub-Adviser; (ii) by the Sub-Adviser upon 60 days' prior written notice to the Adviser and the Fund; or (iii) by the Adviser upon 61 days' written notice to the Sub-Adviser. This Agreement may also be terminated, without the payment of any penalty, by the Adviser immediately upon (A) a material breach by the Sub-Adviser of this Agreement which is not promptly cured pursuant to Section 7 hereof; (B) Jonathan Barrett, Adam Weitzman or Derek Rogers ceasing to be employed by the Sub-Adviser or continuing to oversee the Sub-Adviser's implementation of the Strategy; or (C) at the discretion of the Adviser, if the Sub-Adviser or any executive officer, director or key portfolio manager of the Sub-Adviser is accused in any regulatory, self-regulatory or judicial proceeding of violating the federal securities laws or engaging in criminal conduct constituting a felony. The Sub-Adviser may be terminated by the Sub-Adviser immediately by written notice to the Adviser, without any penalty, upon (1) a change in the laws (including tax laws), rules or regulations (including rules and regulations of self-regulatory agencies with jurisdiction over the Fund, the Adviser or the Sub-Adviser) (together, a "**Regulatory Change**") applicable to the Fund that, in each case, in the Sub-Adviser's good faith determination after consultation with the Adviser, could reasonably be expected to result in a material change (including, without limitation, a material increase of expense) in the manner in which the Strategy is implemented, (2) any change to the Procedures or any instruction from the Adviser, the Board, or any service provider to the Fund or the Trust, in each case that, in the Sub-Adviser's good faith reasonable discretion, would make it impracticable or unreasonable for the Sub-Adviser to continue to implement the Strategy with respect to the Allocated Portion; or (3) the Adviser's assumption of direct responsibility for any function delegated to the Sub-Adviser under this Agreement, as provided in Section 2(a). This Agreement may also terminate if mutually agreed upon by both the Adviser and the Sub-Adviser. This Agreement shall terminate automatically and immediately upon termination of the Advisory Agreement. This Agreement shall terminate automatically and immediately in the event of its assignment. The terms "assignment," "interested person" and "vote of a majority of the outstanding voting securities" shall have the meaning set forth for such terms in the 1940 Act or the rules thereunder. This Agreement may be terminated or amended at any time by the Sub-Adviser and the Adviser, subject to approval by the Board (including approval by those Trustees that are not "interested persons" of the Trust) and, if required by the 1940 Act or applicable SEC rules and regulations, a vote of a majority of the Fund's outstanding voting securities; *provided, however,* that, notwithstanding the foregoing, this Agreement may be amended or terminated by the mutual written agreement of the Sub-Adviser and the Adviser in order to reflect the terms of any exemptive order issued to the Adviser or the Trust. It is understood that from time to time the Allocated Portion may be zero. This Agreement does not automatically terminate in the event that no Allocated Portion is available for the Sub-Adviser.
- c. Consequences of Termination. In the event of termination of this Agreement, Sections 4, 8, 9, 10, 16, and 23(b) shall survive such termination of this Agreement. Section 15 of this Agreement shall survive for a period of two (2) years following termination of this Agreement. Termination of this Agreement shall immediately and unconditionally revoke any and all powers of attorney granted to the Sub-Adviser under this Agreement; provided that, following delivery of a notice of termination pursuant to Section 14(b) with respect to this Agreement, the Sub-Adviser shall continue to have full discretionary investment and trading authority in accordance with the terms of this Agreement (including, without limitation, Sections 1(a) and 2 hereof) with respect to the Allocated Portion until the effective date of such termination. Any Fees calculated in accordance with this Agreement accrued up to the date of termination and not yet paid by such date of termination shall, notwithstanding termination, be payable at the next following payment in accordance with this Agreement.

15. Confidentiality.

- a. Except as expressly authorized in this Agreement or as required by applicable law, regulation or court order, each party hereto and its affiliates (each, for purposes of this section, the “**Recipient Party**”) shall keep confidential and shall not use or disclose, except with the consent of the other party hereto (each, for purposes of this section, the “**Disclosing Party**”), any and all non-public, proprietary or confidential information concerning the business of the Disclosing Parties and/or their affiliates or investors, or potential investors, therein obtained in connection with the services rendered under this Agreement, including, without limitation, Portfolio Information and reports, certifications and other non-public information provided by the parties pursuant to or in connection with this Agreement (collectively, the “**Information**”); provided that the Recipient Party may make such disclosure to its directors, officers, partners, employees, agents, advisors, service providers, potential financing counterparties or representatives, including legal and compliance personnel (collectively, the “**Representatives**”) who (i) need to know the Information in connection with this Agreement, (ii) have been informed of the confidential nature of such Information and (iii) have been advised that such Information is to be kept confidential and not used for any other purpose. Notwithstanding the foregoing, the Trust and the Adviser shall be permitted to disclose Information to any third party in connection with the operation of the Fund or subject to a non-disclosure agreement, provided that such third party has been advised that such Information is to be kept confidential and the Adviser shall not identify the securities and other instruments held in the Allocated Portion as specifically attributable to the Allocated Portion or the Sub-Adviser in any disclosure of such Portfolio Information (except for disclosures to Representatives). The Recipient Party shall be responsible for a breach of this section by its Representatives. The term “**Information**” will not include information that (i) is or becomes publicly available other than as a result of a disclosure by the Recipient Party in violation of this section; (ii) is or becomes available to the Recipient Party or its Representatives from a source other than the Disclosing Party, which source, to the knowledge of the Recipient Party or its Representatives, does not have an obligation of confidentiality to the Disclosing Party with respect to such information; (iii) was already in the Recipient Party’s possession or the possession of its Representatives prior to receiving such information from the Disclosing Party; or (iv) is developed independently by the Recipient Party or its Representatives without use of the Information. Notwithstanding anything to the contrary provided elsewhere herein, none of the confidentiality provisions in this section shall in any way limit the activities of Adviser and its affiliates in their businesses of providing services to the Trust or other clients.
- b. Portfolio Information. As used herein “**Portfolio Information**” means confidential and proprietary information of the Fund, the Adviser or the Sub-Adviser that is received by a party hereto in connection with this Agreement, and information with regard to the portfolio holdings, investment activity and characteristics of the Fund.
- c. The Adviser will not permit any Representative or affiliate of the Adviser to use Portfolio Information with respect to the Allocated Portion to trade for its own account or the account of any other person for the purpose of “reverse engineering” the investment or trading methodologies of the Sub-Adviser. In furtherance of the foregoing, the Adviser shall restrict access to the Portfolio Information to those employees of the Adviser or their affiliates or agents who will use it only for purposes reasonably related to the provision of services to the Fund.
- d. Each of the Adviser and the Sub-Adviser agrees that it shall exercise the same standard of care that it uses to protect its own confidential and proprietary information, but no less than reasonable care, to protect the confidentiality of the Information.
- e. Each Recipient Party acknowledges the global nature of each Disclosing Party’s businesses and the efforts the Disclosing Parties undertake to develop, preserve and protect their Information and their business and competitive advantage and goodwill. Accordingly, each Recipient Party acknowledges

and agrees that the restrictions, limitations and obligations in this section are reasonable and necessary for the protection of the legitimate business interests of the Disclosing Parties and their affiliates. Each Recipient Party also acknowledges that the Disclosing Parties would not have entered into this Agreement unless the Recipient Party agreed to such restrictions, limitations and obligations, and that the damages to the Disclosing Party that may result from the unauthorized dissemination of the Information may be impossible to calculate. Therefore, the parties hereby agree that the Disclosing Party shall be entitled to seek injunctive relief preventing the dissemination of any Information in violation of the terms hereof, without any requirement to post security or other bond therefor. Such injunctive relief shall be in addition to any other remedies available hereunder, whether at law or in equity.

16. Notices.

Except as otherwise specifically provided herein, all communications under this Agreement must be in writing and will be deemed duly given and received when delivered personally, when sent by facsimile or e-mail transmission or three days after being deposited for next-day delivery with an internationally recognized overnight international delivery service, properly addressed to the party to receive such notice at the party's address specified herein, or at any other address that any party may designate by notice to the others.

17. Severability.

If any provision of this Agreement is held by any court to be invalid, void or unenforceable, in whole or in part, the other provisions shall remain unaffected and shall continue in full force and effect, provided that the Agreement, as so modified, continues to express, without material change, the original intent of the parties and deletion of such provision will not substantially impair the respective rights and obligations of the parties, and if any provision is inapplicable to any person or circumstance, it shall nevertheless remain applicable to all other persons and circumstances.

18. Business Continuity.

The Sub-Adviser shall maintain a commercially reasonable business continuity, disaster recovery, and backup plan designed to enable the Sub-Adviser to perform its obligations hereunder with minimal disruptions or delays. Upon reasonable request, the Sub-Adviser shall provide the Adviser with access to its written business continuity, disaster recovery and backup plan(s) or sufficient information and written certification regarding such plans to satisfy the Adviser and Fund's reasonable inquiries and to assist the Fund and the Chief Compliance Officer of the Fund in complying with Rule 38a-1 under the 1940 Act. The Sub-Adviser represents that it tests its business continuity and disaster recovery plan(s) periodically, but no less frequently than as required by applicable law, and shall, at the Adviser's request, provide the Adviser with information regarding the results of its testing.

19. Personnel.

The Sub-Adviser shall perform background screening (including review of records as to violent or criminal conduct) of each employee of the Sub-Adviser with substantive investment or oversight authority over the Allocated Portion, including at the time such employee is hired by the Sub-Adviser or at such times as such employee's duties begin to include investment or oversight authority over a material portion of the Allocated Portion.

20. Limitation on Consultation.

In accordance with Rule 12d3-1 and Rule 17a-10 under the 1940 Act and any other applicable law or regulation, the Sub-Adviser is not permitted to consult with any other sub-adviser to the Fund or any sub-adviser to any other portion of the Fund or to any other investment company or investment company series for which the Adviser serves as investment adviser concerning transactions for the Fund in securities or other assets.

21. Lists of Affiliated Persons.

The Adviser shall provide the Sub-Adviser with a list of each entity that is both (i) an "affiliated person," as such term is defined in the 1940 Act, of the Adviser and (ii) a broker, dealer, or entity that is engaged in the

business of underwriting, or a registered investment adviser. The Sub-Adviser shall provide the Adviser with a list of each person who is an “affiliated person”, as such term is defined in the 1940 Act, of the Sub-Adviser. Each of the Adviser and the Sub-Adviser agrees promptly to update such list whenever the Adviser or the Sub-Adviser becomes aware of any changes that should be added to or deleted from such list of affiliated persons.

22. Cooperation.

The Sub-Adviser and the Adviser shall cooperate reasonably with each other for purposes of filing any required reports, and responding to regulatory requests, with the SEC or such other regulator having appropriate jurisdiction over either of them. The Sub-Adviser will work in good faith with the Adviser and the Fund’s service providers to ensure the orderly daily operation of the Allocated Portion (including, without limitation, assisting with preparation of regulatory filings and responding to regulatory requests).

23. Miscellaneous.

- a. Further Actions. Each party agrees to perform such further actions and execute such further documents as are necessary to effectuate the purposes hereof.
- b. Governing Law. To the extent that state law is not preempted by the provisions of any law of the United States of America, all matters arising under or related to this Agreement shall be governed and construed under the laws of the State of New York, irrespective of and without regard for any conflicts of law principals. Any suit, proceeding or other action seeking to enforce any provision of, or based on any matter arising out of or in connection with, this Agreement or the transactions contemplated hereby shall be brought in the United States District Court for the Southern District of New York. To the extent that the United States District Court for the Southern District of New York lacks jurisdiction over such suit, proceeding or other action then it shall be brought in state court situated in Delaware. The parties hereby submit and consent to the exclusive in personam jurisdiction and venue of such courts.
- c. Waiver of Jury Trial. EACH PARTY WAIVES TRIAL BY JURY IN ANY ACTION, PROCEEDING, CLAIM, OR COUNTERCLAIM, WHETHER IN CONTRACT OR TORT AND WHETHER AT LAW OR IN EQUITY, ARISING OUT OF OR IN ANY WAY RELATED TO THIS AGREEMENT.
- d. Appendices Part of Agreement. For the avoidance of doubt, it is acknowledged and agreed that the Appendices and Annexes appended hereto form a part of this Agreement. All defined terms used in this Agreement have the same meanings when used in the Appendices and Annexes hereto.

- f. Joint Negotiation. The parties have participated jointly in the negotiation and drafting of this Agreement. In the event an ambiguity or question of intent or interpretation arises, the parties intend that this Agreement be construed as if drafted jointly by the parties and that no presumption or burden of proof arise favoring or disfavoring any party by virtue of the authorship of any of the provisions of this Agreement.
