INFORMATION STATEMENT

NOTICE REGARDING NEW SUB-ADVISERS

Blackstone Alternative Investment Advisors LLC (“BAIA”), the investment adviser to Blackstone Alternative Multi-Strategy Fund (the “Fund”), a series of Blackstone Alternative Investment Funds (the “Trust”), seeks to achieve the Fund’s investment objective by, in part, allocating the Fund’s assets among investment sub-advisers with experience managing alternative investment strategies. This Information Statement is being provided to the Fund’s shareholders in lieu of a proxy statement, pursuant to the terms of an exemptive order received from the Securities and Exchange Commission (the “SEC”) on March 13, 2017. This exemptive order permits BAIA to enter into and amend materially sub-advisory agreements with discretionary and non-discretionary investment sub-advisers that are either unaffiliated with BAIA or that are directly or indirectly wholly-owned subsidiaries of The Blackstone Group, Inc. (“Blackstone”) without seeking the approval of the Fund’s shareholders, so long as certain conditions are satisfied. This Information Statement is to inform you that, at BAIA’s recommendation, the Trust’s Board of Trustees (the “Board”) has recently approved Bayforest Capital Limited (“Bayforest”) and G10 Capital Limited (“G10” and, together with Bayforest, “Bayforest/G10”) and TrailStone Commodity Trading US, LLC (“TrailStone”), each of which is unaffiliated with BAIA, as sub-advisers to the Fund.

WE ARE NOT ASKING YOU FOR A PROXY AND YOU ARE REQUESTED NOT TO SEND US A PROXY.

THE FUND AND THE ADVISORY AGREEMENT

BAIA serves as the investment adviser to the Fund pursuant to an Investment Advisory Agreement dated March 17, 2014, as amended (the “Advisory Agreement”). BAIA seeks to achieve the Fund’s investment objective by allocating the Fund’s assets among a variety of non-traditional or “alternative” investment strategies, including, in part, by allocating the Fund’s assets among sub-advisers with experience managing alternative investment strategies. BAIA also allocates the Fund’s assets among certain unaffiliated investment funds, manages a portion of the Fund’s assets directly and, from time to time, may instruct sub-advisers with respect to particular investments. BAIA is responsible for selecting the Fund’s investment strategies, for identifying and retaining sub-advisers with expertise in the selected strategies, and for determining the amount of Fund assets to allocate to each sub-adviser or to manage directly.

BAIA may adjust allocations from time to time among strategies or sub-advisers based on its assessment of market conditions and/or sub-adviser strategies and has discretion to not allocate any assets to one or more sub-advisers at any time. BAIA currently intends to generally consider the following factors as part of its sub-adviser screening process, although the factors considered from time to time or with respect to any one sub-adviser may vary and may include only some or none of the factors listed below or other factors that are not listed below:

- **Attractive long-term risk-adjusted investment performance:** BAIA seeks to choose sub-advisers focused on alternative strategies that it believes will produce attractive long-term risk-adjusted returns over a full market cycle.
- **Skilled application of non-traditional investment techniques:** BAIA believes that attractive risk-adjusted investment returns can sometimes be found outside traditional investment strategies that rely on relative performance against public market equity and fixed income benchmarks. BAIA seeks to choose sub-advisers who use “non-traditional” investment approaches, which often seek to take advantage of market inefficiencies and other factors in order to outperform the underlying markets of their investments.

- **Opportunistic approach to investing:** Among the sub-advisers sought out by BAIA, BAIA may choose “opportunistic” sub-advisers who are willing to make substantial investments based on the direction the sub-adviser anticipates a particular market, markets, or individual securities will take. These sub-advisers may make “directional investments” and frequently use leverage to attempt to produce attractive returns. It is possible that BAIA may make only relatively short-term allocations to sub-advisers that specialize in opportunistic trades.
- **Management stability and committed investment professionals:** BAIA believes the ability to generate attractive risk-adjusted returns over a full market cycle, especially when the application of sophisticated non-traditional techniques is involved, is dependent upon the performance of committed investment professionals. No matter how appealing the investment concept, BAIA believes that attractive risk-adjusted returns can only be generated by committed people operating in a stable environment.
- **Ongoing monitoring:** Once selected, the performance of each sub-adviser is regularly reviewed, and new sub-advisers are identified and considered on an on-going basis. In addition, the allocation of the Fund’s assets among sub-advisers, approaches, and styles will be regularly monitored and may be adjusted in response to performance results or changing economic conditions. BAIA reviews a number of quantitative and qualitative factors in connection with the allocation of the Fund’s assets, including, without limitation, macroeconomic scenarios, diversification, strategy capacity, regulatory constraints, and the fees associated with the strategy.

Each sub-adviser selected by BAIA and approved by the Board enters into a sub-advisory agreement with BAIA, pursuant to which each discretionary sub-adviser is delegated responsibility for the day-to-day management of the assets of the Fund or of one or more of the wholly-owned subsidiaries of the Fund allocated to the sub-adviser (the “Allocated Portion”). BAIA compensates the sub-advisers out of the management fee it receives from the Fund. Each discretionary sub-adviser makes investment decisions for the assets it has been allocated to manage, subject to the overall supervision of BAIA. BAIA oversees each sub-adviser for compliance with the Fund’s investment objective, policies, strategies, and restrictions, and monitors each sub-adviser’s adherence to its investment style. In allocating the Fund’s assets, BAIA has discretion to not allocate any assets to one or more sub-advisers at any time.

THE NEW SUB-ADVISORY AGREEMENTS

At a meeting of the Board held on June 5, 2020, the Board, including a majority of the Board members who are not interested persons of the Fund within the meaning of the Investment Company Act of 1940, as amended (the “1940 Act”) (the “Independent Trustees”), approved Bayforest/G10, together, as a sub-adviser to the Fund and, in connection therewith, also approved a sub-advisory agreement between BAIA and Bayforest/G10. The sub-advisory agreement with Bayforest/G10 became effective as of June 10, 2020.

At a meeting of the Board held on August 11-12, 2020, the Board, including a majority of the Independent Trustees, approved TrailStone as a sub-adviser to the Fund and, in connection therewith, also approved a sub-advisory agreement between BAIA and TrailStone. The sub-advisory agreement with TrailStone became effective as of August 24, 2020.

Under its sub-advisory agreement, subject to the supervision and oversight of BAIA, each of Bayforest/G10 and TrailStone will furnish continuously an investment program for the Fund, determining what investments to purchase, hold, sell, or exchange and what portion of the Fund’s assets to hold uninvested, with respect to its Allocated Portion, in compliance with the Fund’s governing documents, registration statement, investment objective, policies, and restrictions, and applicable law and subject to the oversight of the Board.

Each sub-adviser is responsible for its expenses incurred in connection with managing its Allocated Portion. Each sub-adviser receives, as compensation for its services, fees from BAIA (not the Fund) each quarter based on an annual percentage of the average daily net assets of its Allocated Portion.

The initial term of the new sub-advisory agreement with Bayforest/G10 extends until June 10, 2022 and the initial term of the sub-advisory agreement with TrailStone extends until August 24, 2022. After the initial term, each sub-advisory agreement shall continue in effect for successive periods of no more than twelve (12) months each, only so long as such continuance is specifically approved at least annually (i) by the Board or by vote of a majority of outstanding voting securities of the Fund, and (ii) by a majority of the Independent Trustees.

Each sub-advisory agreement may be terminated, without penalty, (a) by the Board, or by a vote of a majority of the outstanding voting securities of a Fund, upon 60 days' written notice to BAIA and the sub-adviser; (b) by the sub-adviser upon 60 days' written notice to BAIA and the Fund; or (c) by BAIA upon 61 days' written notice to the sub-adviser. Each sub-advisory agreement may also be terminated by BAIA immediately upon a material breach of the agreement by sub-adviser, which is not promptly cured. Each sub-advisory agreement will terminate automatically in the event of its assignment or the termination of the Advisory Agreement. In addition, at the discretion of BAIA, (a) the agreement with Bayforest/G10 may be terminated (i) if Bayforest/G10 or any officer, director, or key portfolio manager (including, without limitation, Theodoros Tsagaris) of Bayforest/G10 is accused in any regulatory, self-regulatory, or judicial proceeding of violating federal securities laws or engaging in criminal conduct or (ii) in the event Theodoros Tsagaris ceases to be employed by Bayforest or an affiliate or ceases to oversee the assets allocated by the BAIA; and (b) the agreement with TrailStone may be terminated if TrailStone or any officer, director, or key portfolio manager of TrailStone is accused in any regulatory, self-regulatory, or judicial proceeding of violating federal securities laws or engaging in criminal conduct.

Under the exemptive order referenced above, so long as certain conditions are satisfied, each sub-advisory agreement may be amended materially without shareholder approval. However, the exemptive order requires generally that shareholders of the Fund receive notice within 90 days of the hiring of a new sub-adviser and that the Fund provide shareholders with information that is similar to that which would have been included in a proxy statement to shareholders.

The existing sub-advisers' sub-advisory agreements and services provided pursuant to such agreements are unchanged as a result of the Board's approval of the new sub-advisers, except that the amount of each existing sub-advisers' Allocated Portions may change as a result of the addition of the new sub-advisers.

The form of each of the sub-advisory agreements with Bayforest/G10 and TrailStone is attached as Exhibit A.

BOARD CONSIDERATIONS

At its meetings on June 5, 2020 and August 11-12, 2020, the Board, including a majority of the Independent Trustees, approved the sub-advisory agreements with Bayforest/G10 and TrailStone, respectively. At the meetings, the Board had discussions with BAIA and reviewed and considered various written materials and oral presentations in connection with each of Bayforest/G10's and TrailStone's proposed services, including with respect to the nature, extent, and quality of services, profitability, fees and expenses, investment performance, code of ethics, and compliance program. Additionally, the Board considered the process undertaken during its consideration and approval of the Advisory Agreement between BAIA and the Trust, on behalf of the Fund, and the sub-advisory agreements between BAIA and each of the existing sub-advisers. The Board (and separately, the Independent Trustees) conferred with the Independent Trustees' independent legal counsel to consider the information provided.

Following an analysis and discussion of the factors identified below, the Board, including a majority of the Independent Trustees, approved the sub-advisory agreement with Bayforest/G10 and the sub-advisory agreement with TrailStone.

Nature, Extent, and Quality of the Services

BAYFOREST/G10

The Board discussed and considered (1) Bayforest/G10's personnel, operations, and financial condition; (2) Bayforest/G10's strengths, including its systematic strategy and the portfolio management team's technical skills, market experience, and focused investment expertise in commodity markets; (3) a general framework for determining the percentage of assets that would be allocated to Bayforest/G10; (4) the potential investment return on the assets that would be managed by Bayforest/G10 and related investment risks; (5) Bayforest/G10's experience and performance as a hedge fund manager and the extent to which Bayforest/G10's strategy for the Fund is expected to overlap with its hedge fund strategy; (6) and the experience and depth of Bayforest/G10's portfolio management team managing hedge funds and other products and its ability to manage risk. The Board concluded that the nature, extent, and quality of the sub-advisory services provided were appropriate and thus supported a decision to approve the proposed initial sub-advisory agreement with Bayforest/G10.

TRAILSTONE

The Board discussed and considered (1) TrailStone's personnel, operations, and financial condition; (2) TrailStone's strengths, including its capabilities across the value chains of the energy and power sectors; (3) a general framework for determining the percentage of assets that would be allocated to TrailStone; (4) the potential investment return on the assets that would be managed by TrailStone and related investment risks; (5) TrailStone's experience and performance managing assets for another Blackstone-affiliated entity; and (6) the experience and depth of TrailStone's portfolio management team managing other products and its ability to manage risk. The Board concluded that the nature, extent, and quality of the sub-advisory services provided were appropriate and thus supported a decision to approve the proposed sub-advisory agreement with TrailStone.

Costs of Services and Profitability

In analyzing the cost of services and profitability of each of Bayforest/G10 and TrailStone, the Board discussed (i) each sub-adviser's proposed sub-advisory fee for managing the allocated assets of the Fund; (ii) each sub-adviser's resources expected to be devoted to the Fund for investment analysis, risk management, compliance, and order execution; and (iii) any information provided in response to inquiries regarding the profitability of each sub-adviser from providing sub-advisory services to the Fund. The Board considered the specific resources that each of Bayforest/G10 and TrailStone is expected to devote to the Fund for investment analysis, risk management, compliance, and order execution, and the extent to which each sub-adviser's investment process is or would be scalable.

The Board noted that the compensation paid to each sub-adviser was paid by BAIA, not the Fund, and, accordingly, that the retention of each sub-adviser did not increase the fees or expenses otherwise incurred by shareholders of the Fund. It also noted that the terms of each sub-advisory agreement were the result of separate arm's-length negotiations between BAIA and the sub-adviser. The Board considered information comparing the proposed sub-advisory fees to the fees that each sub-adviser charges for providing investment advisory services to certain other clients. The Board also considered information regarding the potential impact that retaining each of Bayforest/G10 and TrailStone as sub-advisers to the Fund may have on BAIA's profitability, as well as information about the blended average of all sub-advisory fees that BAIA was expected to pay the sub-advisers based on anticipated allocations of Fund assets among the sub-advisers. The Board concluded that the level of investment sub-advisory fees was appropriate in light of the services to be provided.

Economies of Scale

The Board discussed various financial and economic considerations relating to the proposed arrangement with each of Bayforest/G10 and TrailStone, including the potential for economies of scale. The Board considered the proposed breakpoints in the sub-advisory fees to be payable to TrailStone. The Board noted that fee breakpoints based on the level of allocated assets of the Fund were not currently proposed for Bayforest/G10. The Board noted that it would have the opportunity to periodically re-examine whether the Fund had achieved economies of

scale, as well as the appropriateness of sub-advisory fees payable, with respect to different asset sizes of the portfolio, in the future. The Board also noted that, although not directly related to the sub-advisory fee payable to the sub-adviser, certain Fund expenses were subject to an expense cap, an undertaking by BAIA intended to limit the Fund's overall expenses at smaller asset levels, although the Fund's expenses were sufficiently limited such that the expense cap did not currently apply.

Other Benefits

The Board discussed other potential benefits that each of Bayforest/G10 and TrailStone may receive from the Fund, including soft dollar arrangements, receipt of brokerage and research services, and the opportunity to offer additional products and services to Fund shareholders or BAIA. The Board noted that each sub-adviser benefited from its relationship with BAIA. The Board concluded that other ancillary or "fall out" benefits derived by each sub-adviser from its relationship with BAIA or the Fund, to the extent such benefits were identifiable or determinable, were reasonable and fair, resulted from the provision of appropriate services to the Fund and its shareholders, and were consistent with industry practice and the best interests of the Fund and its shareholders.

Other Considerations

The Board reviewed and considered certain terms and conditions of each sub-advisory agreement. After discussion, the Board concluded that the terms of each sub-advisory agreement were reasonable and fair. It was noted that the Board would have the opportunity to periodically re-examine the terms of the sub-advisory agreement in the future.

Conclusion

The Board, including all of the Independent Trustees, concluded that the fees payable under each sub-advisory agreement were fair and reasonable with respect to the services that Bayforest/G10 and TrailStone would each provide to the Fund and in light of the other factors described above that the Board deemed relevant. The Board also considered information that it had received regarding BAIA's review of each sub-adviser's compliance program. The Board based its approval of each of the sub-advisory agreements on a comprehensive consideration of all relevant information presented to the Board at its meetings throughout the year, as applicable, and not as a result of any single controlling factor. The Board was also assisted by the advice of independent legal counsel in approving the sub-advisory agreements.

The Adviser hereby appoints the Sub-Adviser to act as an investment adviser for the Fund, subject to the oversight and direction of the Adviser and the Board, for so long as this Agreement remains in effect. Without limiting the generality of the previous statement, the Sub-Adviser shall manage the investment and reinvestment of the assets of the Fund allocated to it in accordance with such investment strategies and within such limitations as the Adviser and the Sub-Adviser shall agree from time to time (collectively the “**Strategy**”). The Sub-Adviser acknowledges and agrees that the various investment advisory and other services as set forth herein to be performed by the Sub-Adviser will apply to the portion of the Fund’s assets that the Adviser or the Board shall from time to time designate, which may consist of all or a portion of the Fund’s assets (the “**Allocated Portion**”). The Sub-Adviser may provide the various investment advisory and other services with respect to the Allocated Portion to Blackstone Alternative Multi-Strategy Sub Fund II Ltd., a wholly-owned subsidiary of the Fund. The Sub-Adviser hereby accepts such appointment and agrees during such period, subject to the oversight of the Board and the Adviser, to render the services and to assume the obligations herein set forth for the compensation stated in

Section 5 hereof. The Sub-Adviser shall for all purposes herein be deemed to be an independent contractor and shall, except as expressly provided or authorized (whether herein or otherwise), have no authority or obligation to act for or represent the Adviser, the Trust, or the Fund in any way.

- b. Limitations of Sub-Adviser's Responsibility. Except as expressly set forth in this Agreement, the Sub-Adviser shall not be responsible for aspects of the Fund's investment program other than the management of the Allocated Portion in accordance with the Strategy.
- c. Sub-Advisory Arrangement Not Exclusive for Fund and Sub-Adviser. It is acknowledged and agreed that the Adviser may appoint from time to time other sub-advisers in addition to the Sub-Adviser to manage the assets of the Fund that do not constitute the Allocated Portion and nothing in this Agreement shall be construed or interpreted to grant the Sub-Adviser an exclusive arrangement to act as the sole sub-adviser to the Fund. It is further acknowledged and agreed that the Adviser makes no commitment to designate any portion of the Fund's assets to the Sub-Adviser as the Allocated Portion. The Adviser also recognizes that the Sub-Adviser may be or become associated with other investment entities and engage in investment management for others. Except to the extent necessary to perform its obligations hereunder, nothing herein shall be deemed to require the Sub-Adviser to devote any minimum amount of time or attention to the management of the Allocated Portion. Except as otherwise expressly provided herein, nothing herein shall be deemed to limit or restrict the right of the Sub-Adviser to engage in, or to devote time and attention to the management of any other business, whether of a similar or dissimilar nature, or to render services of any kind to any other corporation, firm, individual or association. The Sub-Adviser may on occasion give advice or take action with respect to other investment entities that it manages that differs from the advice given with respect to the Allocated Portion.

2. Sub-Adviser Duties.

The Sub-Adviser is hereby granted (subject to the limitations expressed) the following authority and undertakes to provide the following services and to assume the following obligations:

- a. Supervision; Adviser Retains Certain Authority. In furnishing the services hereunder, the Sub-Adviser will be subject to the supervision of the Adviser and the Board. Subject to notice to the Sub-Adviser, the Adviser retains complete authority, to the extent permitted under the Advisory Agreement, to immediately assume direct responsibility for any function delegated to the Sub-Adviser under this Agreement.
- b. Continuous Investment Program. The Sub-Adviser shall formulate and implement a continuous investment program for the Allocated Portion in accordance with the Strategy, including determining what portion of such assets will be invested or held uninvested in cash or cash equivalents. Without limiting the generality of the foregoing, the Sub-Adviser is authorized to: (i) make investment decisions for the Fund in respect of the Allocated Portion, including decisions for the investment and reinvestment of the assets (including cash and cash-equivalent assets) held in the Allocated Portion; (ii) place purchase and sale orders for portfolio transactions in respect of the Allocated Portion and manage otherwise uninvested cash or cash equivalent assets of the Allocated Portion; (iii) use financial derivative instruments and any of the efficient portfolio management techniques and instruments as may in the reasonable opinion of the Sub-Adviser be necessary in order to implement the Strategy; and (iv) subject to Section 2(d) below, execute account documentation, agreements, contracts, and other documents as may be requested by brokers, dealers, counterparties, and other persons in connection with the Sub-Adviser's management of the Allocated Portion (in such respect, and only for this limited purpose, the Sub-Adviser will, as necessary to effect such documentation, agreements, contracts and other documents, act as the Adviser's and the Fund's agent and attorney-in-fact). The Sub-Adviser, in general, will take such action as is appropriate to manage the Allocated Portion effectively. The Adviser acknowledges and agrees that no assurance, representation, warranty or guarantee, express or implied, has been given to the Adviser by the

Sub-Adviser or any other person as to the performance or profitability of the Allocated Portion (or any part of them), or that the Allocated Portion will perform comparably with any standard or index or on an absolute basis, including other clients of the Sub-Adviser (whether public or private).

- c. Management in Accordance with Fund Governing Documents and Procedures. The Sub-Adviser will manage the Allocated Portion subject to and in accordance with:
- i. the Strategy;
 - ii. the policies and restrictions of the Fund set forth in the Fund's Agreement and Declaration of Trust, as amended, By-Laws and the Fund's registration statement (as from time to time amended, supplemented, and in effect, the "**Registration Statement**") (collectively, the "**Governing Documents**");
 - iii. Subject to the requirements applicable to registered investment companies under Written Instructions (defined below), the Sub-Adviser shall deploy the Strategy on behalf of the Allocated Portion in a manner consistent with applicable laws, including without limitation applicable provisions of the 1940 Act and the rules and regulations thereunder and the Internal Revenue Code of 1986, as amended, (the "Code"), and the rules and regulations thereunder applicable to qualification as a "regulated investment company". The Sub-Adviser will also work with the Adviser to manage and monitor the Allocated Portion in accordance with any written instructions reasonably consistent with the Strategy which the Adviser or the Board may issue to the Sub-Adviser from time to time and which are not inconsistent with the Governing Documents and the Procedures (defined below), as determined by the Adviser (the "Written Instructions"); provided, however, that the Adviser shall remain responsible for ensuring the Fund's (including the Allocated Portion's) overall compliance with the 1940 Act, the Code and all other applicable federal and state laws and regulations. In connection therewith, the Adviser shall perform quarterly and annual tax compliance tests to ensure that the Fund is in compliance with Subchapter M of the Code, as well as compliance tests to ensure that the Fund overall is in compliance with the requirements of the 1940 Act. To aid in the performance of such tax compliance and 1940 Act compliance testing by the Adviser, the Sub-Adviser shall provide information the Adviser reasonably requests from the Sub-Adviser in a timely manner in order to allow the Adviser to complete any such testing in a timely manner. The Adviser acknowledges that the Sub-Adviser shall rely completely upon the Adviser's determination of whether and to what extent the Fund overall (i.e. the Allocated Portion together with all other assets of the Fund) is in compliance with Subchapter M of the Code and the requirements of the 1940 Act, and that the Sub-Adviser has no separate and independent responsibility to test the Fund overall for any such compliance. In connection with such tax compliance tests, the Adviser shall promptly notify the Sub-Adviser if the Allocated Portion is out of compliance with the diversification requirements under Subchapter M. The Sub-Adviser shall use its reasonable best efforts to take prompt action to bring the Allocated Portion back into compliance within the time permitted under the Code thereunder to the extent requested by the Adviser. In connection with such 1940 Act compliance tests, the Adviser shall inform the Sub-Adviser of any such compliance issue and the Sub-Adviser will use its reasonable best efforts to take prompt action to rectify such compliance issue as the Adviser and Sub-Adviser shall mutually agree. For the avoidance of doubt and except as otherwise agreed, in managing the Allocated Portion as set forth above, the Sub-Adviser shall have no responsibility whatsoever with respect to any assets of the Fund outside of the Allocated Portion.
 - iv. any service level agreement that may be agreed between the parties from time to time; and
 - v. any written instructions which the Adviser or the Board may issue to the Sub-Adviser from time to time.

- d. The Sub-Adviser also agrees to conduct its activities hereunder in accordance with any applicable procedures or policies adopted by the Board with respect to the Fund as from time to time in effect and communicated in writing to the Sub-Adviser (the “**Procedures**”). The Adviser has provided to the Sub-Adviser copies of all current Governing Documents and current Procedures and shall provide to the Sub-Adviser any amendments or supplements thereto. The Adviser will endeavor to provide reasonable notice to the Sub-Adviser of any material changes to the Governing Documents or the Procedures. The Adviser shall promptly furnish the Sub-Adviser with such additional information as may be reasonably necessary for or reasonably requested by the Sub-Adviser to perform its responsibilities pursuant to this Agreement. For the avoidance of doubt, the Adviser understands and agrees that the Sub-Adviser shall bear no responsibility or liability, absent willful misconduct, bad faith, gross negligence, or reckless disregard of the obligations or duties hereunder on the part of the Sub-Adviser, for failure to comply with any of the requirements of the Procedures, or any supplement or amendment thereto, until the Sub-Adviser has received and had a reasonable opportunity to review such materials.
- e. Fund Counterparties. The Sub-Adviser will utilize counterparties and/or clearing members for prime brokerage, futures clearing, listed and OTC options and swap services, ISDA services, and other transactions in financial derivative instruments under agreements set up by, and in the name of, the Adviser or the Fund. The Sub-Adviser will provide reasonable assistance to the Adviser in negotiating trading terms and other arrangements with counterparties and/or clearing members upon reasonable request. In effecting transactions for the Allocated Portion, the Sub-Adviser will utilize broker-dealers and swap execution facilities, if applicable, for trade execution selected by the Sub-Adviser, and accounts set up by the Sub-Adviser with such broker-dealers and swap execution facilities. The Adviser will be responsible for managing any collateral and margin requirements associated with investments made for the Allocated Portion (where applicable), including providing instructions to the Custodian (as defined herein) and will perform in-house reconciliation procedures on such accounts.
- f. Reports. The Sub-Adviser shall render such reports to the Board and the Adviser as they may reasonably request concerning the investment activities of the Sub-Adviser with respect to the Fund. On each business day, the Sub-Adviser shall provide reports (to which the Adviser will have access) to the Fund’s administrator (the “**Administrator**”) regarding (i) the securities or other instruments, including, without limitation, cash and cash equivalents, held in the Allocated Portion; and (ii) the securities or other instruments purchased and sold for the Allocated Portion by the Sub-Adviser on such business day. The Sub-Adviser also shall provide such additional information to the Adviser or the Administrator regarding the Sub-Adviser’s implementation of the Strategy as the Adviser or Administrator may reasonably request in such format as the Adviser or Administrator may request provided that in no case (whether with respect to such additional information, the reports described earlier in this paragraph, or otherwise) shall the Sub-Adviser be required to disclose to the Adviser or its affiliates any proprietary or trade secret Information regarding the systems, methods, tools, techniques or strategies used by the Sub-Adviser in implementing the Strategy unless required by applicable law, regulation or court order.
- g. Proxy Voting. The parties hereby agree that the Sub-Adviser shall assume responsibility for voting proxies and making all other voting and consent determinations with respect to the issuers of securities and other instruments held in the Allocated Portion in accordance with the Sub-Adviser’s then-existing proxy voting policies and procedures (a copy of which has been provided by the Sub-Adviser to the Adviser); *provided* that the Sub-Adviser’s proxy voting policies and procedures for the Allocated Portion are not inconsistent with the proxy voting policies and procedures adopted by the Fund and provided to the Sub-Adviser from time to time. The Sub-Adviser shall provide disclosure regarding its proxy voting policies and procedures in accordance with the requirements of Form N-1A for inclusion in the Registration Statement of the Trust. To the extent that the Sub-Adviser votes proxies for the Fund, the Sub-Adviser shall report to the Adviser in a timely manner a record of all proxies voted, in such form and format that permits the Fund to comply with

the requirements of Form N-PX with respect to the Allocated Portion. During any annual period in which the Sub-Adviser has voted proxies for the Fund, the Sub-Adviser shall, as may reasonably be requested by the Adviser, certify as to its compliance with its proxy voting policies and procedures and applicable federal statutes and regulations.

- h. Filing Claims. The parties hereby agree that the Sub-Adviser shall not be responsible for the filing of claims (or otherwise causing the Fund to participate) in class action litigation, settlements, bankruptcy proceedings, or similar proceedings in which shareholders may participate related to securities currently or previously associated with the Allocated Portion. Notwithstanding the foregoing, at the Sub-Adviser's reasonable request, Sub-Adviser may assume responsibility for the filing of claims (or otherwise causing the Fund to participate) in class action litigation, settlements, bankruptcy proceedings, or similar proceedings related to securities currently or previously associated with the Allocated Portion.
- i. Sub-Adviser's Management and Monitoring of the Allocated Portion. The Sub-Adviser shall use reasonable efforts to provide such reports as the Adviser may reasonably require, upon reasonable written notice, to monitor on a daily basis the investment activities and portfolio holdings associated with the Allocated Portion. The Adviser or the Trust on behalf of the Fund, as applicable, shall timely provide to the Sub-Adviser all information and documentation that the parties mutually agree are necessary or appropriate for the Sub-Adviser to fulfill its obligations under this Agreement. The Sub-Adviser shall use its reasonable best efforts to comply with any written instructions of the Adviser with respect to the investment activities used to manage the Allocated Portion to ensure the Fund's compliance with the Governing Documents, Procedures, and applicable law.
- j. Daily Transmission of Information to Custodian. In connection with any purchase and sale of securities or other instruments for the Allocated Portion, the Sub-Adviser will arrange for the transmission to the custodian for the Fund (the "**Custodian**") on a daily basis such confirmation, trade tickets, and other documents and information, including, but not limited to, CUSIP, Sedol, or other numbers that identify the securities or other instruments to be purchased or sold on behalf of the Fund, as may be reasonably necessary to enable the Custodian to perform its custodial, administrative, and recordkeeping responsibilities with respect to the Fund. Copies of such confirmations, trade tickets, and other documents and information shall be provided concurrently to the Administrator. With respect to securities or other instruments to be settled through the Fund's Custodian, the Sub-Adviser will arrange for the prompt transmission of the confirmation of such trades to the Custodian. The parties acknowledge that the Sub-Adviser is not a custodian of the Fund's assets and will not take possession or custody of such assets.
- k. Assistance with Valuation. The Sub-Adviser will provide reasonable assistance to the Adviser, the Custodian, the Administrator or another similar party designated by the Adviser in assessing the fair value of securities or other instruments held in the Allocated Portion for which market quotations are not readily available or for which the Adviser or the Board has otherwise determined to fair value such portfolio holdings.
- l. Provision of Information and Certifications. The Sub-Adviser shall timely provide to the Adviser and the Trust, on behalf of the Fund, all information and documentation they may reasonably request as necessary or appropriate in order for the Adviser and the Board to oversee the activities of the Sub-Adviser and to comply with the requirements of the Governing Documents, the Procedures, and any applicable law, provided that in no case shall the Sub-Adviser be required to disclose proprietary or trade secret Information to the Adviser or its affiliates regarding the systems, methods, tools, techniques or strategies used by the Sub-Adviser in implementing the Strategy unless required by applicable law, regulation or court order. The information and documentation requested by the Adviser and the Trust under this paragraph may include, without limitation, (i) information and commentary relating to the Sub-Adviser or the Allocated Portion for the Fund's annual and semi-annual reports, in a format reasonably approved by the Adviser, together with (A) a certification that

such information and commentary discuss all of the factors that materially affected the performance of the Fund with respect to the Allocated Portion, including the relevant market conditions and the investment techniques and strategies used and (B) additional certifications related to the Sub-Adviser's management of the Allocated Portion in order to support the Fund's filings on Form N-CSR, Form N-PORT and other applicable forms, and the Fund's Principal Executive Officer's and Principal Financial Officer's certifications under Rule 30a-2 under the 1940 Act, thereon; (ii) within 15 business days of a quarter-end, a quarterly certification with respect to compliance and operational matters related to the Sub-Adviser and the Sub-Adviser's management of the Allocated Portion (including, without limitation, compliance with the Procedures), in a format reasonably requested by the Adviser and agreed by the Sub-Adviser, as it may be amended from time to time; and (iii) an annual certification from the Sub-Adviser's Chief Compliance Officer, appointed under Rule 206(4)-7 under the Investment Advisers Act of 1940, as amended (the "**Advisers Act**"), with respect to the design and operation of the Sub-Adviser's compliance program, in a format reasonably requested by the Adviser and agreed by the Sub-Adviser.

- m. Code of Ethics. The Sub-Adviser will maintain a written code of ethics (the "**Code of Ethics**") that complies with the requirements of Rule 17j-1 under the 1940 Act ("**Rule 17j-1**"), a copy of which will be provided to the Adviser and the Fund, and will institute procedures reasonably necessary to prevent any Access Person (as defined in Rule 17j-1) from violating its Code of Ethics. The Sub-Adviser also will certify quarterly to the Trust on behalf of the Fund and the Adviser that it and its "Advisory Persons" (as defined in Rule 17j-1) have complied materially with the requirements of Rule 17j-1 during the previous quarter or, if not, explain what the Sub-Adviser has done to seek to ensure such compliance in the future. Annually, the Sub-Adviser will furnish a written report, which complies with the requirements of Rule 17j-1 and Rule 38a-1, concerning the Code of Ethics and its compliance program, respectively, to the Trust and the Adviser. The Sub-Adviser shall notify the Adviser promptly upon becoming aware of any material violation of the Code of Ethics involving the Fund. Upon request of the Board or the Chief Compliance Officer on behalf of the Fund or the Adviser with respect to violations of the Code of Ethics directly affecting the Fund, the Sub-Adviser will permit representatives of the Trust or the Adviser to examine reports (or summaries of the reports) required to be made by Rule 17j-1 relating to enforcement of the Code of Ethics. The Sub-Adviser will provide such additional information regarding violations of the Code of Ethics as the Board or the Chief Compliance Officer on behalf of the Fund or the Adviser may reasonably request in order to assess the functioning of the Code of Ethics or any harm caused to the Fund from a violation of the Code of Ethics, but reserving the right to assert all applicable legal privileges, provided that such assertion does not conflict with the Fund's or the Board's compliance with applicable law or any confidentiality obligations. Further, the Sub-Adviser represents and warrants that it has policies and procedures regarding the detection and prevention of the misuse of material, nonpublic information by the Sub-Adviser and its employees.
- i. Sub-Adviser Review of Materials. Upon the Adviser's reasonable request, the Sub-Adviser shall review and comment upon selected portions relating to the Sub-Adviser and/or the Strategy (including the Allocated Portion) of the Registration Statement, other offering documents and ancillary sales and marketing materials prepared by the Adviser for the Fund (with respect to the Sub-Adviser's provision of the services under this Agreement or the Strategy or performance with respect to the Allocated Portion), and participate, at the reasonable request of the Adviser, in educational meetings with placement agents and other intermediaries about portfolio management and investment-related matters of the Fund. The Sub-Adviser will promptly inform the Fund and the Adviser upon becoming aware that any information in the Registration Statement relating to the Sub-Adviser or the Strategy is (or will become) inaccurate or incomplete.
- ii. Regulatory Communications and Notices. The Sub-Adviser shall promptly notify the Adviser regarding any inspections, notices or inquiries from any governmental, administrative or self-regulatory agency, including without limitation, any deficiency letter, responses to deficiency letters or similar communications or actions (i) relating to the Sub-Adviser's management of the Allocated

Portion or that otherwise relate to the Fund or (ii) that involve matters that could reasonably be viewed as material to the Sub-Adviser's ability to provide services to the Fund. To the extent that such inspections, notices, or inquiries relate to the Fund, the Sub-Adviser shall promptly make available such documents to the Adviser unless, in the opinion of the Sub-Adviser's counsel, the Sub-Adviser would be legally prohibited from doing so. Notwithstanding the foregoing, the Sub-Adviser shall not be required to provide the Adviser notice of any routine exams or sweep exams conducted by any governmental, administrative or self-regulatory agency unless such exams (i) relate to the Sub-Adviser's management of the Allocated Portion or that otherwise relate to the Fund or (ii) that involve matters that could reasonably be viewed as material to the Sub-Adviser's ability to provide services to the Fund.

- iii. Notice of Material Actions / Change in Control. Each party will promptly notify the other party in writing of the occurrence of any of the following events (i) it is served or otherwise receives notice of, or is threatened with, any material action, suit, proceeding, inquiry or investigation, at law or in equity, before or by any court, governmental, administrative or self-regulatory agency, or public board or body, (A) involving the affairs of the Allocated Portion or (B) that may reasonably be expected to materially affect the investment management business of the Sub-Adviser and (ii) any change in the partners of the Sub-Adviser or in the actual control or management of the Sub-Adviser or change in the portfolio manager(s) primarily responsible for the day-to-day management of the Allocated Portion.

3. Broker-Dealer Selection.

To the extent provided in the Registration Statement, and in accordance with applicable law and applicable policies and procedures of the Sub-Adviser, as approved by the Board (the "**Sub-Adviser Procedures**"), the Sub-Adviser shall, in the name of the Fund, place orders for the execution of portfolio transactions for the Allocated Portion, when applicable, with or through such brokers, dealers or other financial institutions described in Section 2(e) hereof. The Sub-Adviser shall use its reasonable best efforts to obtain the best execution and efficient execution on all portfolio transactions executed in respect of the Allocated Portion. The Sub-Adviser may, to the extent permissible by Section 28(e) of the Securities Exchange Act of 1934, and consistent with applicable Sub-Adviser Procedures, consider, among other things, the financial responsibility, research and investment information, and other services provided by broker-dealers who may effect or be a party to any such transaction or to other transactions to which other clients of the Sub-Adviser may be a party.

On occasions when the Sub-Adviser deems the purchase or sale of a security to be in the best interest of the Fund as well as other clients of the Sub-Adviser, the Sub-Adviser may, in accordance with applicable law and any relevant Sub-Adviser Procedures, aggregate the securities to be so purchased or sold with other orders for other clients of the Sub-Adviser in order to seek best execution. In such event, allocation of the securities so purchased or sold, as well as of the fees and expenses incurred in the transaction, will be made by the Sub-Adviser consistent with the Sub-Advisers Procedures and in the manner it considers to be equitable and consistent with its fiduciary obligations to the Fund and to such other clients.

On an ongoing basis, at such times as the Adviser or the Board shall request, the Sub-Adviser will provide a written report to the Adviser and the Board, in a form reasonably agreed between the Sub-Adviser and the Adviser, summarizing (i) the brokerage details with respect to transactions executed by the Sub-Adviser for the Allocated Portion and (ii) the "soft dollar" arrangements that the Sub-Adviser maintains with brokers or dealers that execute transactions for the Allocated Portion, and of all research and other services provided to the Sub-Adviser by a broker or dealer (whether prepared by such broker or dealer or by a third party) as a result, in whole or in part, of the direction of Fund transactions for the Allocated Portion to the broker or dealer.

4. **Books and Records; Periodic Reports.**

- a. Maintenance Requirements. The Sub-Adviser shall maintain such books and records with respect to the Allocated Portion as are required by law, including, without limitation, the 1940 Act (including, without limitation, the investment records and ledgers required by Rule 31a-1) and the Advisers Act, and the rules and regulations thereunder (the “**Fund’s Books and Records**”). The Sub-Adviser agrees that the Fund’s Books and Records are the Fund’s property and further agrees to surrender promptly to the Trust or the Adviser the Fund’s Books and Records upon the request of the Board or the Adviser; *provided, however*, that the Sub-Adviser may retain copies of the Fund’s Books and Records at its own cost. The Sub-Adviser shall make the Fund’s Books and Records available for inspection and use by the SEC and other regulatory authorities having authority over the Fund, the Trust, the Adviser, or any person retained by the Board at all reasonable times as requested by the Adviser or the Board. Where applicable, the Fund’s Books and Records shall be maintained by the Sub-Adviser for the periods and in the places required by Rule 31a-2 under the 1940 Act. In the event of the termination of this Agreement, the Fund’s Books and Records will be returned to the Trust or the Adviser. The Adviser and Fund’s Chief Compliance Officer shall, upon reasonable notice, be provided with access to the Sub-Adviser’s documentation and records relating to the Fund and copies of such documentation and records.
- b. Periodic Reports. The Sub-Adviser shall (i) render to the Board such periodic and special reports as the Board or the Adviser may reasonably request; and (ii) meet with any persons at the reasonable request of the Adviser or the Board for the purpose of reviewing the Sub-Adviser’s performance under this Agreement upon reasonable advance notice.

5. **Compensation of the Sub-Adviser.**

- a. The Adviser will pay the Sub-Adviser for its services with respect to the Fund the compensation specified in Appendix A (the “**Sub-Advisory Fee**”) to this Agreement.
- b. The Sub-Adviser hereby instructs the Adviser to pay the Sub-Advisory Fee to Bayforest Capital International Limited in satisfaction of the Adviser’s obligations to pay the Sub-Advisory Fee to the Sub-Adviser.

6. **Allocation of Charges and Expenses.**

The Sub-Adviser shall bear its expenses of providing services pursuant to this Agreement, including, without limitation, the Sub-Adviser’s operating and overhead expenses attributable to its duties hereunder. It is understood that, pursuant to the Advisory Agreement, the Fund will pay all expenses other than those expressly stated to be payable by the Sub-Adviser hereunder or by the Adviser under the Advisory Agreement, which such expenses payable by the Fund shall include, without limitation, those set forth in Section 4 of the Advisory Agreement.

7. **Standard of Care; Breach.**

- a. Standard of Care. The Sub-Adviser will exercise its best judgment and will act in good faith and use reasonable care and act in a manner consistent with applicable federal and state laws and regulations in rendering the services it has agreed to provide under this Agreement.
- b. Notification, Curing Breach. The Sub-Adviser will notify the Adviser as soon as reasonably practicable upon detection of any material breach by the Sub-Adviser of the 1940 Act, the Governing Documents, the Procedures, the Strategy, or this Agreement. The Adviser will notify the Sub-Adviser as soon as reasonably practicable upon detection of any material breach by the Adviser of the 1940 Act, the Governing Documents or the Procedures (to the extent that such breach would have a material adverse effect on the Allocated Portion).

Each party shall use its reasonable best efforts to cooperate with the other party in curing any regulatory or compliance breaches or breaches of this Agreement as promptly as possible.

8. Use of Names and Track Record.

- a. Adviser's and Fund's Use of Sub-Adviser Name. For so long as the Fund remains in existence, the Adviser and the Fund shall have a royalty-free license to use the name of the Sub-Adviser, including any short-form of such name, or any combination or derivation thereof, for the purpose of identifying the Sub-Adviser as a sub-adviser to the Fund. The Sub-Adviser acknowledges and agrees that the Adviser, the Fund and the Fund's selling agents will use such names in marketing the Fund to current and prospective investors. The Adviser and the Fund shall cease to use the name of the Sub-Adviser in any newly printed materials (except as may, in the sole discretion of the Adviser, be reasonably necessary to comply with applicable law) promptly upon termination of this Agreement with respect to the Fund. During the term of this Agreement, the Sub-Adviser shall have the right, upon reasonable request and at its own expense, to review all sales and other marketing materials utilizing the name of the Sub-Adviser and any combination or derivation thereof, *provided, however*, that if the Sub-Adviser fails to comment in writing (including via e-mail) by the end of the third business day after delivery of such materials, the Sub-Adviser will be deemed to have granted consent on the end of the third business day following delivery of such materials to the Sub-Adviser for approval.
- b. Restrictions on Use of Adviser's Name. The Sub-Adviser shall not use the name of the Trust, the Fund, the Adviser, "Blackstone Alternative Asset Management L.P." or "Blackstone" (or any combination or derivation thereof) in any material relating to the Sub-Adviser in any manner not approved prior thereto in writing by the Adviser (other than inclusions of such entities in lists of the Sub-Adviser's clients). Each of the Adviser and the Sub-Adviser represents and warrants that it will not make, or cause or allow any of its affiliates to make, any oral or written statement to any third party that disparages, defames, or reflects adversely upon the Trust, the Fund, or the Adviser or the Sub-Adviser, as applicable. For the avoidance of doubt, nothing in this Agreement shall restrict the Adviser, its affiliates, the Trust, or the Fund from making factual statements in required disclosures (including shareholder report discussions or Fund performance), in reports to the Trust's Board of Trustees, or in response to regulatory inquiries.
- c. Sub-Adviser's Use of Track-Record. The Sub-Adviser may use performance data it generates in connection with the Allocated Portion of the Fund, *provided* that the Fund is not specifically identified by name without approval in writing by the Adviser. For avoidance of doubt, the Sub-Adviser shall be entitled to retain and use records of each of its transactions and other records pertaining to the Allocated Portion and the Fund as are necessary to support any such uses of the investment performance and track record.

9. Liability and Indemnification.

- a. Absent the Sub-Adviser's breach of this Agreement or the willful misconduct, bad faith, gross negligence, or reckless disregard of the obligations or duties hereunder on the part of the Sub-Adviser, or its officers, directors, partners, agents, employees, and controlling persons, the Sub-Adviser shall not be liable for any act or omission in the course of, or connected with, rendering services hereunder or for any losses that may be sustained in the purchase, holding, or sale of any position; *provided, however*, that the obligations of the Sub-Adviser with respect to a "Trade Error" or "Compliance Error" (as defined in the Procedures, as the same may be amended from time to time) shall be as set forth in the Procedures. Prior to effecting any material change to the definitions in the Procedures of Trade Error or Compliance Error (or to any associated obligations or liabilities of the Sub-Adviser), the Adviser agrees to provide written notice to the Sub-Adviser at least 35 days prior to the material change becoming effective with respect to the Allocated Portion unless, in the reasonable discretion of the Adviser, such change must become effective earlier due to any

applicable law, rule, regulation or court order. It is acknowledged and agreed that any Trade Error or Compliance Error that results in a gain to the Fund shall inure to the benefit of the Fund. For the avoidance of doubt, it is acknowledged and agreed that the Fund is a third party beneficiary of the indemnity granted in this Section 9(a) and Section 9(c) below, and the indemnity is intended to cover claims by the Fund, the Trust (on behalf of the Fund), or the Adviser against the Sub-Adviser for recovery pursuant to this section.

- b. The Sub-Adviser acknowledges that it has received notice of and accepts the limitations upon the Fund's liability set forth in its Agreement and Declaration of Trust, as amended. The Sub-Adviser agrees that any of the Fund's obligations shall be limited to the assets of the Fund and that the Sub-Adviser shall not seek satisfaction of any such obligation from the shareholders of the Fund nor from any other series of the Trust or any Trustees or officer, employee, or agent of the Fund or other series of the Trust.
- c. The Sub-Adviser (G10 and Bayforest, jointly and severally) shall indemnify the Fund and the Adviser and each of their respective trustees, members, officers, employees, and shareholders, and each person, if any, who controls the Fund or the Adviser within the meaning of Section 15 of the Securities Act, against, and hold them harmless from, any and all losses, claims, damages, liabilities, costs, and expenses (including, without limitation, reasonable attorneys' and accountants' fees and disbursements) (collectively, "**Losses**") asserted by any third party in so far as such Losses (or actions with respect thereto) arise out of or are based upon (i) any actual material misstatement or omission in the Fund's Registration Statement, any proxy statement, or communication to current or prospective investors in the Fund relating to disclosure provided to the Adviser or the Fund by the Sub-Adviser for inclusion in such documents; or (ii) the bad faith, willful misconduct or gross negligence by the Sub-Adviser in the performance of its duties under this Agreement or reckless disregard of its obligations or duties hereunder. For the avoidance of doubt, it is acknowledged and agreed that the indemnity in this Section 9(c) shall not operate to limit in any way the indemnification granted by the Sub-Adviser to the Adviser, the Fund, or the Trust (on behalf of the Fund) in Section 9(a) above. *Provided* that nothing in this Agreement shall be used to permit double recovery by a party and the liability and indemnification provisions in this Agreement shall be permitted only to the extent a Party has not already been indemnified for the same Losses under any other agreement between the parties.
- d. The Adviser shall indemnify the Sub-Adviser (G10 and Bayforest, jointly and severally) and each of its partners/members, officers, employees and shareholders, and each person, if any, who controls the Sub-Adviser within the meaning of Section 15 of the Securities Act, against, and hold them harmless from, any and all Losses asserted by any third party in so far as such Losses (or actions with respect thereto) arise out of or are based upon (i) any actual material misstatement or omission in the Fund's Registration Statement, any proxy statement, or communication to current or prospective investors in the Fund (other than a misstatement or omission relating to disclosure provided to the Adviser or the Fund by the Sub-Adviser for inclusion in such documents); (ii) any action or inaction by the Sub-Adviser that the Sub-Adviser has made or refrained from making, as applicable, in good faith pursuant to and consistent with the Adviser's written instructions to the Sub-Adviser; or (iii) the bad faith, willful misconduct, or gross negligence by the Adviser in the performance of its duties under this Agreement or reckless disregard of its obligations or duties hereunder.
- e. Promptly after receipt of notice of any action, arbitration, claim, demand, dispute, investigation, lawsuit, or other proceeding (each a "**Proceeding**") by a party seeking to be indemnified under Section 9(c) or 9(d) (the "**Indemnified Party**"), the Indemnified Party will, if a claim in respect thereof is to be made against a party against whom indemnification is sought under Section 9(c) or 9(d) (the "**Indemnifying Party**") notify the Indemnifying Party in writing of the commencement of such Proceeding; provided that, the failure to so notify the Indemnifying Party shall not relieve the Indemnifying Party from any indemnification liability which it may have to the Indemnified Party.

No Indemnifying Party shall be liable under this section for any settlement of any Proceeding entered into without its consent with respect to which indemnity may be sought hereunder.

- f. The rights of indemnification provided in this section shall not be exclusive of or affect any other rights to which any person may be entitled by contract or otherwise by law.
- g. Under no circumstances shall either party be liable, whether as an indemnity or otherwise, for (a) any loss of or damage to profits, reputation or revenue; or (b) any indirect or consequential loss or damage.

- k. Ongoing Representations and Warranties. If, at any time during the term of this Agreement, it discovers any fact or omission, or any event or change of circumstances has occurred, which would make any of its representations and warranties in this Agreement inaccurate or incomplete in any material respect, the Sub-Adviser Entity will provide prompt written notification to the Adviser of such fact, omission, event, or change of circumstance, and the facts related thereto. The Sub-Adviser Entity agrees that it will provide prompt notice to the Adviser in the event that: (i) the Sub-Adviser Entity makes an assignment for the benefit of creditors, files a voluntary petition in bankruptcy, or is otherwise adjudged bankrupt or insolvent by a court of competent jurisdiction; or (ii) a material event occurs with respect to the Sub-Adviser Entity’s investment advisory business that could reasonably be expected to adversely impact the Sub-Adviser Entity’s ability to perform its duties under this Agreement.

Any individuals whose signatures are affixed to this Agreement on behalf of the Adviser have full authority and power to execute this Agreement on behalf of the Adviser.
- c. Enforceable Agreement. This Agreement is enforceable against the Adviser in accordance with its terms, subject as to enforcement to bankruptcy, insolvency, reorganization, arrangement, moratorium, and other similar laws of general applicability relating to or affecting creditors’ rights and to general equity principles.

14. Renewal, Termination and Amendment.

- a. Renewal. Unless terminated in accordance with Section 14(b) below, this Agreement shall continue in effect until two years from the effectiveness date, and thereafter for successive periods of no more than twelve (12) months each, only so long as such continuance is specifically approved at least annually (i) by a vote of the Trustees of the Trust or by vote of a majority of outstanding voting securities of the Fund and (ii) by vote of a majority of the Trustees who are not interested persons of the Trust (as defined in the 1940 Act) or of any person party to this Agreement, cast at a meeting called for the purpose of such approval.

This Agreement may also terminate if mutually agreed upon by both the Adviser and the

Sub-Adviser. This Agreement shall terminate automatically and immediately upon termination of the Advisory Agreement. This Agreement shall terminate automatically and immediately in the event of its assignment. 15. Confidentiality.

- a. Except as expressly authorized in this Agreement or as required by applicable law, regulation or court order, each party hereto and its affiliates (each, for purposes of this section, the “**Recipient Party**”) shall keep confidential and shall not use or disclose, except with the consent of the other party hereto (each, for purposes of this section, the “**Disclosing Party**”), any and all non-public, proprietary or confidential information concerning the business of the Disclosing Parties and/or their affiliates or investors, or potential investors, therein obtained in connection with the services rendered under this Agreement, including, without limitation, Portfolio Information (the “**Information**”); provided that the Recipient Party may make such disclosure to its directors, officers, partners, employees, agents, advisors, service providers, potential financing counterparties or representatives, including legal and compliance personnel (collectively, the “**Representatives**”) who (i) need to know the Information in connection with this Agreement, (ii) have been informed of the confidential nature of such Information and (iii) have been advised that such Information is to be kept confidential and not used for any other purpose. Notwithstanding the foregoing, the Trust and the Adviser shall be permitted to disclose Information to any third party in connection with the operation of the Fund or subject to a non-disclosure agreement, provided that such third party has been advised that such Information is to be kept confidential and the Adviser shall not identify the securities and other instruments held in the Allocated Portion as specifically attributable to the Allocated Portion or the Sub-Adviser in any disclosure of such Portfolio Information (except for disclosures to Representatives). The term “**Information**” will not include information that (i) is or becomes publicly available other than as a result of a disclosure by the Recipient Party in violation of this section; (ii) is or becomes available to the Recipient Party or its Representatives from a source other than the Disclosing Party, which source, to the knowledge of the Recipient Party or its Representatives, does not have an obligation of confidentiality to the Disclosing Party with respect to such information; (iii) was already in the Recipient Party’s possession or the possession of its Representatives prior to receiving such information from the Disclosing Party; or (iv) is developed independently by the Recipient Party or its Representatives without use of the Information. Notwithstanding anything to the contrary provided elsewhere herein, none of the confidentiality provisions in this section shall in any way limit the activities of Adviser and its affiliates in their businesses of providing services to the Trust or other clients.

- b. Portfolio Information. As used herein “**Portfolio Information**” means confidential and proprietary information of the Fund, the Adviser or the Sub-Adviser that is received by a party hereto in connection with this Agreement, and information with regard to the portfolio holdings, investment activity and characteristics of the Fund.
- c. The Adviser will not permit any Representative or affiliate of the Adviser to use Portfolio Information with respect to the Allocated Portion to trade for its own account or the account of any other person for the purpose of “reverse engineering” the investment or trading methodologies of the Sub-Adviser. In furtherance of the foregoing, the Adviser shall restrict access to the Portfolio Information to those employees of the Adviser or their affiliates or agents who will use it only for purposes reasonably related to the provision of services to the Fund.
- d. Each of the Adviser and the Sub-Adviser agrees that it shall exercise the same standard of care that it uses to protect its own confidential and proprietary information, but no less than reasonable care, to protect the confidentiality of the Information.
- e. Each Recipient Party acknowledges the global nature of each Disclosing Party’s businesses and the efforts the Disclosing Parties undertake to develop, preserve and protect their Information and their business and competitive advantage and goodwill. Accordingly, each Recipient Party acknowledges and agrees that the restrictions, limitations and obligations in this section are reasonable and necessary for the protection of the legitimate business interests of the Disclosing Parties and their affiliates. Each Recipient Party also acknowledges that the Disclosing Parties would not have entered into this Agreement unless the Recipient Party agreed to such restrictions, limitations, and obligations.

21. Lists of Affiliated Persons.

The Adviser shall provide the Sub-Adviser with a list of each entity that is both (i) an “affiliated person,” as such term is defined in the 1940 Act, of the Adviser and (ii) a broker, dealer, or entity that is engaged in the business of underwriting, or a registered investment adviser. The Sub-Adviser shall provide the Adviser with a list of each person who is an “affiliated person”, as such term is defined in the 1940 Act, of the Sub-Adviser. Each of the Adviser and the Sub-Adviser agrees promptly to update such list whenever the Adviser or the Sub-Adviser becomes aware of any changes that should be added to or deleted from such list of affiliated persons.

- c. Governing Law. To the extent that state law is not preempted by the provisions of any law of the United States of America, this Agreement shall be governed and construed under the laws of the State of New York, irrespective of and without regard for any conflicts of law principals. Any suit, proceeding or other action seeking to enforce any provision of, or based on any matter arising out of or in connection with, this Agreement or the transactions contemplated hereby shall be brought in the United States District Court for the Southern District of New York. AGREEMENT, effective as of August 24, 2020, between Blackstone Alternative Investment Advisors LLC, a Delaware limited liability company (the “**Adviser**”), and TrailStone Commodity Trading US, LLC, a Delaware limited liability company (the “**Sub-Adviser**”).

WHEREAS, the Adviser has entered into an Investment Advisory Agreement (the “**Advisory Agreement**”) with Blackstone Alternative Investment Funds, a Massachusetts business trust (the “**Trust**”), on behalf of its series, Blackstone Alternative Multi-Strategy Fund (the “**Fund**”), relating to the provision of portfolio management services to the Fund; and

WHEREAS, the Trust is registered as an open-end management investment company under the Investment Company Act of 1940, as amended (the “**1940 Act**”); and

WHEREAS, the Advisory Agreement provides that the Adviser may delegate any or all of its portfolio management responsibilities under the Advisory Agreement to one or more sub-investment advisers; and

WHEREAS, in selecting sub-investment advisers and entering into and amending sub-advisory agreements, the Adviser and the Trust may rely upon an exemptive order obtained from the Securities and Exchange Commission (“**SEC**”), provided that the Adviser and the Trust comply with the terms and conditions set forth therein; and

WHEREAS, the Adviser and the Board of Trustees (the “**Board**”) of the Trust desire to retain the Sub-Adviser to render portfolio management services to the Fund in the manner and on the terms set forth in this Agreement.

NOW THEREFORE, in consideration of the mutual covenants and agreements set forth herein, the Adviser and the Sub-Adviser agree as follows:

1. Appointment.

- a. Role of Sub-Adviser. The Adviser hereby appoints the Sub-Adviser to act as an investment adviser for the Fund, subject to the oversight and direction of the Adviser and the Board, for so long as this Agreement remains in effect. Without limiting the generality of the previous statement, the Sub-Adviser shall manage the investment and reinvestment of the assets of the Fund allocated to it in accordance with such investment strategies and within such limitations as the Adviser and the Sub-Adviser shall agree from time to time, provided, that the Sub-Adviser shall only provide advice and trade on behalf of the Fund with respect to commodity interests (as defined in U.S. Commodity Futures Trading Commission Regulation 1.3 (“Commodity Interests”)) and shall not provide any investment advice regarding, and shall not trade in, securities (as defined in the Investment Advisers Act of 1940, as amended (the “**Advisers Act**”) (collectively the “**Strategy**”). The Sub-Adviser acknowledges and agrees that the various investment advisory and other services as set forth herein to be performed by the Sub-Adviser will apply to the portion of the Fund’s assets that the Adviser or the Board shall from time to time designate, which may consist of all or a portion of the Fund’s assets (the “**Allocated Portion**”). The Sub-Adviser may provide the various investment advisory and other services with respect to the Allocated Portion to Blackstone Alternative Multi-Strategy Sub Fund II Ltd., a wholly-owned subsidiary of the Fund. The Sub-Adviser hereby accepts such appointment and agrees during such period, subject to the oversight of the Board and the Adviser, to render the services and to assume the obligations herein set forth for the compensation stated in Section 5 hereof. The Sub-Adviser shall for all purposes herein be deemed to be an independent contractor and shall, except as expressly provided or authorized (whether herein or otherwise), have no authority or obligation to act for or represent the Adviser, the Trust, or the Fund in any way.
- b. Limitations of Sub-Adviser’s Responsibility. Except as expressly set forth in this Agreement, the Sub-Adviser shall not be responsible for aspects of the Fund’s investment program other than the management of the Allocated Portion in accordance with the Strategy.

- c. Sub-Advisory Arrangement Not Exclusive for Fund and Sub-Adviser. It is acknowledged and agreed that the Adviser may appoint from time to time other sub-advisers in addition to the Sub-Adviser to manage the assets of the Fund that do not constitute the Allocated Portion and nothing in this Agreement shall be construed or interpreted to grant the Sub-Adviser an exclusive arrangement to act as the sole sub-adviser to the Fund. It is further acknowledged and agreed that the Adviser makes no commitment to designate any portion of the Fund's assets to the Sub-Adviser as the Allocated Portion. The Adviser also recognizes that the Sub-Adviser may be or become associated with other investment entities and engage in investment management for others. Except to the extent necessary to perform its obligations hereunder, nothing herein shall be deemed to require the Sub-Adviser to devote any minimum amount of time or attention to the management of the Allocated Portion. Except as otherwise expressly provided herein, nothing herein shall be deemed to limit or restrict the right of the Sub-Adviser to engage in, or to devote time and attention to the management of any other business, whether of a similar or dissimilar nature, or to render services of any kind to any other corporation, firm, individual or association. The Sub-Adviser may on occasion give advice or take action with respect to other investment entities that it manages that differs from the advice given with respect to the Allocated Portion.

2. Sub-Adviser Duties.

The Sub-Adviser is hereby granted (subject to the limitations expressed) the following authority and undertakes to provide the following services and to assume the following obligations:

- a. Supervision; Adviser Retains Certain Authority. In furnishing the services hereunder, the Sub-Adviser will be subject to the supervision of the Adviser and the Board. Subject to notice to the Sub-Adviser, the Adviser retains complete authority, to the extent permitted under the Advisory Agreement, to immediately assume direct responsibility for any function delegated to the Sub-Adviser under this Agreement.
- b. Continuous Investment Program. The Sub-Adviser shall formulate and implement a continuous investment program for the Allocated Portion in accordance with the Strategy, including determining what portion of such assets will be invested or held uninvested in cash. Without limiting the generality of the foregoing, the Sub-Adviser is authorized to: (i) make investment decisions for the Fund in respect of the Allocated Portion, including decisions for the investment and reinvestment of the assets (including cash and cash-equivalent assets) held in the Allocated Portion, provided, that the Sub-Adviser shall only provide advice and trade on behalf of the Fund with respect to Commodity Interests; and (ii) subject to Section 2(d) below, execute account documentation, agreements, contracts, and other documents as may be requested by brokers, dealers, counterparties, and other persons in connection with the Sub-Adviser's management of the Allocated Portion (in such respect, and only for this limited purpose, the Sub-Adviser will, as necessary to effect such documentation, agreements, contracts and other documents, act as the Adviser's and the Fund's agent and attorney-in-fact). The Sub-Adviser, in general, will take such action as is appropriate to manage the Allocated Portion effectively.
- c. Management in Accordance with Fund Governing Documents and Procedures. The Sub-Adviser will manage the Allocated Portion subject to and in accordance with:
- i. the Strategy;
 - ii. the policies and restrictions of the Fund set forth in the Fund's Agreement and Declaration of Trust, as amended, By-Laws, and the Fund's registration statement (as from time to time amended, supplemented, and in effect, the "**Registration Statement**") (collectively, the "**Governing Documents**");

- iii. the requirements applicable to registered investment companies under applicable laws, including without limitation the 1940 Act and the rules and regulations thereunder, the Internal Revenue Code of 1986, as amended, and the rules and regulations thereunder applicable to qualification as a “regulated investment company,”;
 - iv. to the extent such requirements are applicable to the Sub-Adviser, the requirements of the Commodities Exchange Act (“CEA”), the rules and regulations thereunder, and the rules of any applicable self-regulatory organization (including, without limitation, the National Futures Association (“NFA”) and each exchange on which the Sub-Adviser trades Commodity Interests);
 - v. any service level agreement that may be agreed between the parties from time to time; and
 - vi. any written instructions which the Adviser or the Board may issue to the Sub-Adviser from time to time, except to the extent such instructions conflict with applicable law or are inconsistent with the Governing Documents.
- d. The Sub-Adviser also agrees to conduct its activities hereunder in accordance with any applicable procedures or policies adopted by the Board with respect to the Fund as from time to time in effect and communicated in writing to the Sub-Adviser (the “**Procedures**”). The Adviser has provided to the Sub-Adviser copies of all current Governing Documents and current Procedures and shall provide to the Sub-Adviser any amendments or supplements thereto. The Adviser will endeavor to provide reasonable written notice to the Sub-Adviser of any changes to the Governing Documents or the Procedures that may have a material impact on the Strategy or the services provided by the Sub-Adviser hereunder. The Adviser shall promptly furnish the Sub-Adviser with such additional information as may be reasonably necessary for or reasonably requested by the Sub-Adviser to perform its responsibilities pursuant to this Agreement.
- e. Fund Counterparties. The Sub-Adviser will utilize counterparties and/or clearing members for Commodity Interest transactions under agreements set up by, and in the name of, the Adviser or the Fund. The Sub-Adviser will provide reasonable assistance to the Adviser in negotiating trading terms and other arrangements with counterparties and/or clearing members upon reasonable request. In effecting transactions for the Allocated Portion, the Sub-Adviser will utilize brokers, dealers and swap execution facilities, if applicable, for trade execution selected by the Sub-Adviser, and accounts set up by the Sub-Adviser with such brokers, dealers and swap execution facilities. The Adviser will be responsible for managing any collateral and margin requirements associated with investments made for the Allocated Portion (where applicable), including providing instructions to the Custodian (as defined herein) and will perform in-house reconciliation procedures on such accounts.
- f. Reports. The Sub-Adviser shall render such reports to the Board and the Adviser as they may reasonably request concerning the investment activities of the Sub-Adviser with respect to the Fund. On each business day, the Sub-Adviser shall provide reports (to which the Adviser will have access) to the Fund’s administrator (the “**Administrator**”) regarding (i) the Commodity Interests, including, without limitation, cash and cash equivalents, held in the Allocated Portion; and (ii) the Commodity Interests purchased and sold for the Allocated Portion by the Sub-Adviser on such business day. The Sub-Adviser also shall provide such additional information to the Adviser or the Administrator regarding the Sub-Adviser’s implementation of the Strategy as the Adviser or Administrator may reasonably request in such format as the Adviser or Administrator may reasonably request.
- g. Proxy Voting. To the extent applicable, the parties hereby agree that the Sub-Adviser shall assume responsibility for making all voting and consent determinations with respect to the interests held in the Allocated Portion in accordance with the Sub-Adviser’s then-existing voting policies and procedures (a copy of which has been provided by the Sub-Adviser to the Adviser); *provided* that the

Sub-Adviser's voting policies and procedures for the Allocated Portion are not inconsistent with the proxy voting policies and procedures adopted by the Fund and provided to the Sub-Adviser from time to time. The Sub-Adviser may use recommendations from a third party in order to make voting decisions and may use a third party service provider to execute the voting. The Sub-Adviser shall provide disclosure regarding its voting policies and procedures in accordance with the requirements of Form N-1A for inclusion in the Registration Statement of the Trust. To the extent that the Sub-Adviser votes or consents on matters relating to commodity interests in the Allocated Portion for the Fund, the Sub-Adviser shall report to the Adviser in a timely manner a record of all such votes or consents, in such form and format that permits the Fund to comply with the requirements of Form N-PX with respect to the Allocated Portion. During any annual period in which the Sub-Adviser has voted or provided consent on matters related to commodity interests in the Allocated Portion for the Fund, the Sub-Adviser shall, as may reasonably be requested by the Adviser, certify as to its compliance with its voting policies and procedures and applicable federal statutes and regulations.

- h. Filing Claims. The parties hereby agree that the Sub-Adviser shall not be responsible for the filing of claims (or otherwise causing the Fund to participate) in class action litigation, settlements, bankruptcy proceedings, or similar proceedings in which shareholders may participate related to securities currently or previously associated with the Allocated Portion. Notwithstanding the foregoing, at the Sub-Adviser's reasonable request, Sub-Adviser may assume responsibility for the filing of claims (or otherwise causing the Fund to participate) in class action litigation, settlements, bankruptcy proceedings, or similar proceedings related to securities currently or previously associated with the Allocated Portion.
- i. Sub-Adviser's Management and Monitoring of the Allocated Portion. The Sub-Adviser shall be responsible for daily monitoring of the investment activities and portfolio holdings associated with the Allocated Portion according to a monitoring system that is reasonably designed to ensure compliance with the Strategy, relevant Governing Documents and Procedures, and applicable law. The Adviser or the Trust on behalf of the Fund, as applicable, shall timely provide to the Sub-Adviser all information and documentation that the parties mutually agree are necessary or appropriate for the Sub-Adviser to fulfill its obligations under this Agreement. The Sub-Adviser shall act on any reasonable written instructions of the Adviser with respect to the investment activities used to manage the Allocated Portion to ensure the Fund's compliance with the Governing Documents, Procedures, and applicable law.
- j. Daily Transmission of Information to Custodian. In connection with any purchase and sale of Commodity Interests for the Allocated Portion, the Sub-Adviser will arrange for the transmission to the custodian for the Fund (the "**Custodian**") on a daily basis such confirmation, trade tickets, and other documents and information as may be reasonably necessary to enable the Custodian to perform its custodial, administrative, and recordkeeping responsibilities with respect to the Fund. Copies of such confirmations, trade tickets, and other documents and information shall be provided concurrently to the Administrator. With respect to Commodity Interests or other instruments to be settled through the Fund's Custodian, the Sub-Adviser will arrange for the prompt transmission of the confirmation of such trades to the Custodian. The parties acknowledge that the Sub-Adviser is not a custodian of the Fund's assets and will not take possession or custody of such assets.
- k. Assistance with Valuation. The Sub-Adviser will provide reasonable assistance to the Adviser, the Custodian, the Administrator or another similar party designated by the Adviser in assessing the fair value of Commodity Interests held in the Allocated Portion for which market quotations are not readily available or for which the Adviser or the Board has otherwise determined to fair value such portfolio holdings.
- l. Provision of Information and Certifications. The Sub-Adviser shall timely provide to the Adviser and the Trust, on behalf of the Fund, all information and documentation they may reasonably request

as necessary or appropriate in order for the Adviser and the Board to oversee the activities of the Sub-Adviser and to comply with the requirements of the Governing Documents, the Procedures, and any applicable law, including, without limitation, (i) information and commentary relating to the Sub-Adviser or the Allocated Portion for the Fund's annual and semi-annual reports, in a format reasonably approved by the Adviser, together with (A) a certification that such information and commentary discuss all of the factors that materially affected the performance of the Fund with respect to the Allocated Portion, including the relevant market conditions and the investment techniques and strategies used and (B) additional certifications related to the Sub-Adviser's management of the Allocated Portion in order to support the Fund's filings on Form N-CSR, Form N-PORT and other applicable forms, and the Fund's Principal Executive Officer's and Principal Financial Officer's certifications under Rule 30a-2 under the 1940 Act, thereon; (ii) within 5 business days of a quarter-end, a quarterly certification with respect to compliance and operational matters related to the Sub-Adviser and the Sub-Adviser's management of the Allocated Portion (including, without limitation, compliance with the Procedures), in a format reasonably requested by the Adviser, as it may be amended from time to time; and (iii) an annual certification from the Sub-Adviser's Chief Compliance Officer, with respect to the design and operation of the Sub-Adviser's compliance program, in a format reasonably requested by the Adviser.

- m. Code of Ethics. The Sub-Adviser will maintain a written code of ethics (the "**Code of Ethics**") that complies with the requirements of Rule 17j-1 under the 1940 Act ("**Rule 17j-1**"), a copy of which will be provided to the Adviser and the Fund, and will institute procedures reasonably necessary to prevent any Access Person (as defined in Rule 17j-1) from violating its Code of Ethics. The Sub-Adviser will follow such Code of Ethics in performing its services under this Agreement. The Sub-Adviser also will certify quarterly to the Trust on behalf of the Fund and the Adviser that it and its "Advisory Persons" (as defined in Rule 17j-1) have complied materially with the requirements of Rule 17j-1 during the previous quarter or, if not, explain what the Sub-Adviser has done to seek to ensure such compliance in the future. Annually, the Sub-Adviser will furnish a written report, which complies with the requirements of Rule 17j-1 and Rule 38a-1, concerning the Code of Ethics and its compliance program, respectively, to the Trust and the Adviser. The Sub-Adviser shall notify the Adviser promptly upon becoming aware of any material violation of the Code of Ethics involving the Fund. Upon request of the Board or the Chief Compliance Officer on behalf of the Fund or the Adviser with respect to violations of the Code of Ethics directly affecting the Fund, the Sub-Adviser will permit representatives of the Trust or the Adviser to examine reports (or summaries of the reports) required to be made by Rule 17j-1 relating to enforcement of the Code of Ethics. The Sub-Adviser will provide such additional information regarding violations of the Code of Ethics as the Board or the Chief Compliance Officer on behalf of the Fund or the Adviser may reasonably request in order to assess the functioning of the Code of Ethics or any harm caused to the Fund from a violation of the Code of Ethics, but reserving the right to assert all applicable legal privileges, provided that such assertion does not conflict with the Fund's or the Board's compliance with applicable law or any confidentiality obligations. Further, the Sub-Adviser represents and warrants that it has policies and procedures regarding the detection and prevention of the misuse of material, nonpublic information by the Sub-Adviser and its employees.
- n. Sub-Adviser Review of Materials. Upon the Adviser's reasonable request, the Sub-Adviser shall review and comment upon selected portions relating to the Sub-Adviser and/or the Strategy (including the Allocated Portion) of the Registration Statement, other offering documents and ancillary sales and marketing materials prepared by the Adviser for the Fund (with respect to the Sub-Adviser's provision of the services under this Agreement or the Strategy or performance with respect to the Allocated Portion), and participate, at the reasonable request of the Adviser and as mutually agreed to by the Sub-Adviser, in educational meetings with placement agents and other intermediaries about portfolio management and investment-related matters of the Fund. The Sub-Adviser will promptly inform the Fund and the Adviser upon becoming aware that any information in the Registration Statement relating to the Sub-Adviser or the Strategy is (or will become) inaccurate or incomplete.

- o. Regulatory Communications and Notices. The Sub-Adviser shall promptly notify the Adviser regarding any inspections, notices or inquiries from any governmental, administrative or self-regulatory agency, including without limitation, any deficiency letter, responses to deficiency letters or similar communications or actions (i) relating to the Sub-Adviser's management of the Allocated Portion or that otherwise relate to the Fund or (ii) that involve matters that could reasonably be viewed as material to the Sub-Adviser's ability to provide services to the Fund. To the extent that such inspections, notices, or inquiries relate to the Fund, the Sub-Adviser shall promptly make available such documents to the Adviser unless the Sub-Adviser reasonably determines that it would be legally prohibited from doing so. Notwithstanding the foregoing, the Sub-Adviser shall not be required to provide the Adviser notice of any routine exams or sweep exams conducted by any governmental, administrative or self-regulatory agency unless such exams (i) relate to the Sub-Adviser's management of the Allocated Portion or that otherwise relate to the Fund or (ii) that involve matters that could reasonably be viewed as material to the Sub-Adviser's ability to provide services to the Fund.

- p. Notice of Material Actions / Change in Control. The Sub-Adviser will keep the Trust and the Adviser informed of developments of which the Sub-Adviser has knowledge that would materially affect the Fund. The Sub-Adviser will promptly notify the Adviser in writing of the occurrence of any of the following events (i) it is served or otherwise receives notice of, or is threatened with, any material action, suit, proceeding, inquiry or investigation, at law or in equity, before or by any court, governmental, administrative or self-regulatory agency, or public board or body, (A) involving the affairs of the Fund or (B) that may reasonably be expected to materially affect the investment management business of the Sub-Adviser and (ii) any change in the partners of the Sub-Adviser or in the actual control or management of the Sub-Adviser or change in the portfolio manager(s) primarily responsible for the day-to-day management of the Allocated Portion.

To the extent provided in the Registration Statement, and in accordance with applicable law and applicable policies and procedures of the Sub-Adviser, as approved by the Board (the "**Sub-Adviser Procedures**"), the Sub-Adviser shall, in the name of the Fund, place orders for the execution of portfolio transactions for the Allocated Portion, when applicable, with or through such brokers, dealers or other financial institutions described in Section 2(e) hereof. The Sub-Adviser shall use its reasonable best efforts to obtain the best execution and efficient execution on all portfolio transactions executed in respect of the Allocated Portion. The Sub-Adviser may, to the extent permissible by Section 28(e) of the Securities Exchange Act of 1934, and consistent with applicable Sub-Adviser Procedures, consider, among other things, the financial responsibility, research and investment information, and other services provided by brokers or dealers who may effect or be a party to any such transaction or to other transactions to which other clients of the Sub-Adviser may be a party.

On occasions when the Sub-Adviser deems the purchase or sale of a Commodity Interest to be in the best interest of the Fund as well as other clients of the Sub-Adviser, the Sub-Adviser may, in accordance with applicable law and any relevant Sub-Adviser Procedures, aggregate the Commodity Interests to be so purchased or sold with other orders for other clients of the Sub-Adviser in order to obtain best execution. In such event, allocation of the Commodity Interests so purchased or sold, as well as of the fees and expenses incurred in the transaction, will be made by the Sub-Adviser consistent with the Sub-Advisers Procedures and in the manner it considers to be equitable and consistent with its fiduciary obligations to the Fund and to such other clients.

On an ongoing basis, at such times as the Adviser or the Board shall request, the Sub-Adviser will provide a written report to the Adviser and the Board, in a form reasonably agreed between the Sub-Adviser and the Adviser, summarizing (i) the brokerage details with respect to transactions executed by the Sub-Adviser for the Allocated Portion and (ii) the "soft dollar" arrangements that the Sub-Adviser maintains with brokers or dealers that execute transactions for the Allocated Portion, and of all research and other services provided to

the Sub-Adviser by a broker or dealer (whether prepared by such broker or dealer or by a third party) as a result, in whole or in part, of the direction of Fund transactions for the Allocated Portion to the broker or dealer.

4. Books and Records; Periodic Reports.

- a. Maintenance Requirements. The Sub-Adviser shall maintain such books and records with respect to the Sub-Adviser's activities in connection with the Allocated Portion as are required by law, including, without limitation, the 1940 Act (including, without limitation, the investment records and ledgers required by Rule 31a-1), and the rules and regulations thereunder, the CEA and the rules and regulations thereunder, and the rules of any applicable self-regulatory organization (the "**Fund's Books and Records**"). The Sub-Adviser agrees that the Fund's Books and Records are the Fund's property and further agrees to surrender promptly to the Trust or the Adviser the Fund's Books and Records upon the request of the Board or the Adviser; *provided, however*, that the Sub-Adviser may retain copies of the Fund's Books and Records at its own cost. The Sub-Adviser shall make the Fund's Books and Records available for inspection and use by the SEC and other regulatory authorities having authority over the Fund, the Trust, the Adviser, or any person retained by the Board at all reasonable times as requested by the Adviser or the Board. Where applicable, the Fund's Books and Records shall be maintained by the Sub-Adviser for the periods and in the places required by Rule 31a-2 under the 1940 Act. In the event of the termination of this Agreement, the Fund's Books and Records will be returned to the Trust or the Adviser; provided that the Sub-Adviser may retain copies of the Fund's Books and Records to the extent required by law. The Adviser and Fund's Chief Compliance Officer shall, upon reasonable notice, be provided with access to the Sub-Adviser's documentation and records relating to the Fund and copies of such documentation and records.
- b. Periodic Reports. The Sub-Adviser shall (i) render to the Board such periodic and special reports as the Board or the Adviser may reasonably request; and (ii) meet with any persons at the reasonable request of the Adviser or the Board for the purpose of reviewing the Sub-Adviser's performance under this Agreement upon reasonable advance notice (but no more than twice per calendar year, unless otherwise agreed by the Sub-Adviser).

5. Compensation of the Sub-Adviser.

The Adviser will pay the Sub-Adviser for its services with respect to the Fund the compensation specified in Appendix A to this Agreement.

6. Allocation of Charges and Expenses.

The Sub-Adviser shall bear its expenses of providing services pursuant to this Agreement, including, without limitation, the Sub-Adviser's operating and overhead expenses attributable to its duties hereunder. It is understood that, pursuant to the Advisory Agreement, the Fund will pay all expenses other than those expressly stated to be payable by the Sub-Adviser hereunder or by the Adviser under the Advisory Agreement, which such expenses payable by the Fund shall include, without limitation, those set forth in Section 4 of the Advisory Agreement.

7. Standard of Care; Breach.

- b. Notification, Curing Breach. The Sub-Adviser will notify the Adviser as soon as reasonably practicable upon detection of any material breach by the Sub-Adviser of the 1940 Act, the Governing Documents, the Procedures, the Strategy, or this Agreement. The Adviser will notify the

Sub-Adviser as soon as reasonably practicable upon detection of any material breach by the Adviser of the 1940 Act, the Governing Documents or the Procedures (to the extent that such breach would have a material adverse effect on the Allocated Portion).

Each party shall use its reasonable best efforts to cooperate with the other party in curing any regulatory or compliance breaches or breaches of this Agreement as promptly as possible.

8. Use of Names and Track Record.

- a. Adviser's and Fund's Use of Sub-Adviser Name. For so long as the Fund remains in existence, the Adviser and the Fund shall have a royalty-free license to use the name of the Sub-Adviser, including any short-form of such name, or any combination or derivation thereof, for the purpose of identifying the Sub-Adviser as a sub-adviser to the Fund. The Sub-Adviser acknowledges and agrees that the Adviser, the Fund and the Fund's selling agents will use such names in marketing the Fund to current and prospective investors. The Adviser and the Fund shall cease to use the name of the Sub-Adviser in any newly printed materials (except as may, in the sole discretion of the Adviser, be reasonably necessary to comply with applicable law) promptly upon termination of this Agreement with respect to the Fund. During the term of this Agreement, the Sub-Adviser shall have the right, upon reasonable request and at its own expense, to review all sales and other marketing materials utilizing the name of the Sub-Adviser and any combination or derivation thereof, *provided, however*, that if the Sub-Adviser fails to comment in writing (including via e-mail) by the end of the third business day after delivery of such materials, the Sub-Adviser will be deemed to have granted consent on the end of the third business day following delivery of such materials to the Sub-Adviser for approval.
- b. Restrictions on Use of Adviser's Name. The Sub-Adviser shall not use the name of the Trust, the Fund, the Adviser, "Blackstone Alternative Asset Management L.P." or "Blackstone" (or any combination or derivation thereof) in any material relating to the Sub-Adviser in any manner not approved prior thereto in writing by the Adviser (other than inclusions of such entities in lists of the Sub-Adviser's clients or as required by applicable law). Each of the Adviser and the Sub-Adviser represents and warrants that it will not make, or cause or allow any of its affiliates to make, any oral or written statement to any third party that disparages, defames, or reflects adversely upon the Trust, the Fund, or the Adviser or the Sub-Adviser, as applicable. For the avoidance of doubt, nothing in this Agreement shall restrict the Adviser, its affiliates, the Trust, or the Fund from making factual statements in required disclosures (including shareholder report discussions or Fund performance), in reports to the Trust's Board of Trustees, or in response to regulatory inquiries.
- c. Sub-Adviser's Use of Track-Record. The Sub-Adviser may use performance data it generates in connection with the Fund for its track record or otherwise, *provided* that the Fund is not specifically identified by name without approval in writing by the Adviser.

9. Liability and Indemnification.

- a. Absent the Sub-Adviser's breach of this Agreement or the willful misconduct, bad faith, gross negligence, or reckless disregard of the obligations or duties hereunder on the part of the Sub-Adviser, or its officers, directors, partners, agents, employees, and controlling persons, the Sub-Adviser shall not be liable for any act or omission in the course of, or connected with, rendering services hereunder or for any losses that may be sustained in the purchase, holding, or sale of any position; *provided, however*, that the obligations of the Sub-Adviser with respect to a "Trade Error" or "Compliance Error" (as defined in the Procedures, as the same may be amended from time to time) shall be as set forth in the Procedures. Prior to effecting any material change to the definitions in the Procedures of Trade Error or Compliance Error (or to any associated obligations or liabilities of the Sub-Adviser), the Adviser agrees to provide written notice to the Sub-Adviser at least 35 days prior to the material change becoming effective with respect to the Allocated Portion unless, in the

reasonable discretion of the Adviser, such change must become effective earlier due to any applicable law, rule, regulation or court order. It is acknowledged and agreed that any Trade Error or Compliance Error that results in a gain to the Fund shall inure to the benefit of the Fund. For the avoidance of doubt, it is acknowledged and agreed that the Fund is a third party beneficiary of the indemnity granted in this Section 9(a) and Section 9(c) below, and the indemnity is intended to cover claims by the Fund, the Trust (on behalf of the Fund), or the Adviser against the Sub-Adviser for recovery pursuant to this section.

- b. The Sub-Adviser acknowledges that it has received notice of and accepts the limitations upon the Fund's liability set forth in its Agreement and Declaration of Trust, as amended. The Sub-Adviser agrees that any of the Fund's obligations shall be limited to the assets of the Fund and that the Sub-Adviser shall not seek satisfaction of any such obligation from the shareholders of the Fund nor from any other series of the Trust or any Trustees or officer, employee, or agent of the Fund or other series of the Trust.
- c. The Sub-Adviser shall indemnify the Fund and the Adviser and each of their respective trustees, members, officers, employees, and shareholders, and each person, if any, who controls the Fund or the Adviser within the meaning of Section 15 of the Securities Act, against, and hold them harmless from, any and all losses, claims, damages, liabilities, costs, and expenses (including, without limitation, reasonable attorneys' and accountants' fees and disbursements) (collectively, "**Losses**") asserted by any third party in so far as such Losses (or actions with respect thereto) arise out of or are based upon (i) any actual material misstatement or omission in the Fund's Registration Statement, any proxy statement, or communication to current or prospective investors in the Fund relating to disclosure provided in written materials to the Adviser or the Fund by the Sub-Adviser for inclusion in such documents; or (ii) the bad faith, willful misconduct or gross negligence by the Sub-Adviser in the performance of its duties under this Agreement or reckless disregard of its obligations or duties hereunder. For the avoidance of doubt, it is acknowledged and agreed that the indemnity in this Section 9(c) shall not operate to limit in any way the indemnification granted by the Sub-Adviser to the Adviser, the Fund, or the Trust (on behalf of the Fund) in Section 9(a) above.
- d. The Adviser shall indemnify the Sub-Adviser and each of its partners/members, officers, employees and shareholders, and each of TrailStone, L.P., TrailStone (Cayman), L.P. and their respective subsidiaries (collectively, the "**Sub-Adviser Affiliates**"), against, and hold them harmless from, any and all Losses asserted by any third party in so far as such Losses (or actions with respect thereto) arise out of or are based upon (i) any actual material misstatement or omission in the Fund's Registration Statement, any proxy statement, or communication to current or prospective investors in the Fund (other than a misstatement or omission relating to disclosure provided in writing to the Adviser or the Fund by the Sub-Adviser for inclusion in such documents); (ii) any action or inaction by the Sub-Adviser that the Sub-Adviser has made or refrained from making, as applicable, in good faith pursuant to and consistent with the Adviser's written instructions to the Sub-Adviser; or (iii) the bad faith, willful misconduct, or gross negligence by the Adviser in the performance of its duties under this Agreement or reckless disregard of its obligations or duties hereunder.
- e. Promptly after receipt of notice of any action, arbitration, claim, demand, dispute, investigation, lawsuit, or other proceeding (each a "**Proceeding**") by a party seeking to be indemnified under Section 9(c) or 9(d) (the "**Indemnified Party**"), the Indemnified Party will, if a claim in respect thereof is to be made against a party against whom indemnification is sought under Section 9(c) or 9(d) (the "**Indemnifying Party**") notify the Indemnifying Party in writing of the commencement of such Proceeding; provided that, the failure to so notify the Indemnifying Party shall not relieve the Indemnifying Party from any indemnification liability which it may have to the Indemnified Party. No Indemnifying Party shall be liable under this section for any settlement of any Proceeding entered into without its consent with respect to which indemnity may be sought hereunder.
- f. The rights of indemnification provided in this section shall not be exclusive of or affect any other rights to which any person may be entitled by contract or otherwise by law.

10. Sub-Adviser Insurance.

The Sub-Adviser agrees that it will maintain at its own expense an errors and omissions insurance policy with respect to the Sub-Adviser in a commercially reasonable amount based upon the amount of assets managed by the Sub-Adviser and commercial general liability insurance in a commercially reasonable amount. The foregoing policies shall be issued by insurance companies that maintain an A.M. Best rating of A- or higher, or are otherwise acceptable to the Adviser in its reasonable discretion. Any and all deductibles specified in the above-referenced insurance policies shall be assumed by the Sub-Adviser.

11. Custodian.

The Sub-Adviser represents, warrants and further covenants as follows:

- a. Duly Organized / Good Standing. 15. Confidentiality.

- a. Except as expressly authorized in this Agreement, as otherwise agreed to in writing by the parties, or as required by applicable law, regulation or court order, each party hereto and its affiliates (each, for purposes of this section, the "**Recipient Party**") shall keep confidential and shall not use or disclose, except with the consent of the other party hereto (each, for purposes of this section, the "**Disclosing Party**"), any and all non-public, proprietary or confidential information concerning the business of the Disclosing Parties and/or their affiliates or investors, or potential investors, therein obtained in connection with the services rendered under this Agreement, including, without limitation, Portfolio Information (the "**Information**"); provided that the Recipient Party may make such disclosure to its, and in the case of the Sub-Adviser to the Sub-Adviser's Affiliates', directors, officers, partners, employees, agents, advisors, service providers, potential financing counterparties or representatives, including legal and compliance personnel (collectively, the "**Representatives**") who (i) need to know the Information in connection with this Agreement, (ii) have been informed of the confidential nature of such Information and (iii) have been advised that such Information is to be kept confidential and not used for any other purpose. Recipient Party shall be responsible for breaches of the terms of this Agreement by any of its Representatives to whom Recipient Party provided

Confidential Information. Notwithstanding the foregoing, the Trust and the Adviser shall be permitted to disclose Information to any third party in connection with the operation of the Fund or subject to a non-disclosure agreement, provided that such third party has been advised that such Information is to be kept confidential and the Adviser shall not identify the Commodity Interests and other instruments held in the Allocated Portion as specifically attributable to the Allocated Portion or the Sub-Adviser in any disclosure of such Portfolio Information (except for disclosures to Representatives). As used herein “**Portfolio Information**” means confidential and proprietary information of the Fund, the Adviser or the Sub-Adviser that is received by a party hereto in connection with this Agreement, and information with regard to the portfolio holdings, investment activity and characteristics of the Fund.
- c. The Adviser will not permit any Representative or affiliate of the Adviser to use Portfolio Information with respect to the Allocated Portion to trade for its own account or the account of any other person for the purpose of “reverse engineering” the investment or trading methodologies of the Sub-Adviser. In furtherance of the foregoing, the Adviser shall restrict access to the Portfolio Information to those employees of the Adviser or their affiliates or agents who will use it only for purposes reasonably related to the provision of services to the Fund.
- d. Each of the Adviser and the Sub-Adviser agrees that it shall exercise the same standard of care that it uses to protect its own confidential and proprietary information, but no less than reasonable care, to protect the confidentiality of the Information.
- e. Each Recipient Party acknowledges the global nature of each Disclosing Party’s businesses and the efforts the Disclosing Parties undertake to develop, preserve and protect their Information and their business and competitive advantage and goodwill. Accordingly, each Recipient Party acknowledges and agrees that the restrictions, limitations and obligations in this section are reasonable and necessary for the protection of the legitimate business interests of the Disclosing Parties and their affiliates. Each Recipient Party also acknowledges that the Disclosing Parties would not have entered into this Agreement unless the Recipient Party agreed to such restrictions, limitations, and obligations.
