NOTICE REGARDING NEW SUB-ADVISERS

Blackstone Alternative Investment Advisors LLC (“BAIA”), the investment adviser to Blackstone Alternative Multi-Strategy Fund (the “Fund”), a series of Blackstone Alternative Investment Funds (the “Trust”), seeks to achieve the Fund’s investment objective by, in part, allocating the Fund’s assets among investment sub-advisers with experience managing alternative investment strategies. This Information Statement is being provided to the Fund’s shareholders in lieu of a proxy statement, pursuant to the terms of an exemptive order received from the Securities and Exchange Commission (the “SEC”) on March 13, 2017. This exemptive order permits BAIA to enter into and amend materially sub-advisory agreements with discretionary and non-discretionary investment sub-advisers that are either unaffiliated with BAIA or that are directly or indirectly wholly-owned subsidiaries of The Blackstone Group, Inc. (“Blackstone”) without seeking the approval of the Fund’s shareholders, so long as certain conditions are satisfied. This Information Statement is to inform you that, at BAIA’s recommendation, the Trust’s Board of Trustees (the “Board”) has recently approved Jasper Capital Hong Kong Limited (“Jasper”) and Seiga Asset Management Limited (“Seiga”), each of which is unaffiliated with BAIA, as sub-advisers to the Fund.

**WE ARE NOT ASKING YOU FOR A PROXY AND
YOU ARE REQUESTED NOT TO SEND US A PROXY.**

THE FUND AND THE ADVISORY AGREEMENT

BAIA serves as the investment adviser to the Fund pursuant to an Investment Advisory Agreement dated March 17, 2014, as amended (the “Advisory Agreement”). BAIA seeks to achieve the Fund’s investment objective by allocating the Fund’s assets among a variety of non-traditional or “alternative” investment strategies, including, in part, by allocating the Fund’s assets among sub-advisers with experience managing alternative investment strategies. BAIA also allocates the Fund’s assets among certain unaffiliated investment funds, manages a portion of the Fund’s assets directly and, from time to time, may instruct sub-advisers with respect to particular investments. BAIA is responsible for selecting the Fund’s investment strategies, for identifying and retaining sub-advisers with expertise in the selected strategies, and for determining the amount of Fund assets to allocate to each sub-adviser or to manage directly.

BAIA may adjust allocations from time to time among strategies or sub-advisers based on its assessment of market conditions and/or sub-adviser strategies and has discretion to not allocate any assets to one or more sub-advisers at any time. BAIA currently intends to generally consider the following factors as part of its sub-adviser screening process, although the factors considered from time to time or with respect to any one sub-adviser may vary and may include only some or none of the factors listed below or other factors that are not listed below:

- **Attractive long-term risk-adjusted investment performance:** BAIA seeks to choose sub-advisers focused on alternative strategies that it believes will produce attractive long-term risk-adjusted returns over a full market cycle.
- **Skilled application of non-traditional investment techniques:** BAIA believes that attractive risk-adjusted investment returns sometimes can be found outside traditional investment strategies that rely on relative performance against public market equity and fixed income benchmarks. BAIA seeks to choose sub-advisers who use “non-traditional” investment approaches, which often seek to take advantage of market inefficiencies and other factors in order to outperform the underlying markets of their investments.

- **Opportunistic approach to investing:** Among the sub-advisers sought by BAIA, BAIA may choose “opportunistic” sub-advisers who are willing to make substantial investments based on the direction the sub-adviser anticipates a particular market, markets, or individual securities will take. These sub-advisers may make “directional investments” and frequently use leverage to attempt to produce attractive returns. It is possible that BAIA may make only relatively short-term allocations to sub-advisers that specialize in opportunistic trades.
- **Management stability and committed investment professionals:** BAIA believes the ability to generate attractive risk-adjusted returns over a full market cycle, especially when the application of sophisticated non-traditional techniques is involved, is dependent upon the performance of committed investment professionals. No matter how appealing the investment concept, BAIA believes that attractive risk-adjusted returns can only be generated by committed people operating in a stable environment.
- **Ongoing monitoring:** Once selected, the performance of each sub-adviser is regularly reviewed, and new sub-advisers are identified and considered on an on-going basis. In addition, the allocation of the Fund’s assets among sub-advisers, approaches, and styles will be regularly monitored and may be adjusted in response to performance results or changing economic conditions. BAIA reviews a number of quantitative and qualitative factors in connection with the allocation of the Fund’s assets, including, without limitation, macroeconomic scenarios, diversification, strategy capacity, regulatory constraints, and the fees associated with the strategy.

Each sub-adviser selected by BAIA and approved by the Board enters into a sub-advisory agreement with BAIA, pursuant to which each discretionary sub-adviser is delegated responsibility for the day-to-day management of the assets of the Fund or of one or more of the wholly-owned subsidiaries of the Fund allocated to the sub-adviser (the “Allocated Portion”). BAIA compensates the sub-advisers out of the management fee it receives from the Fund. Each discretionary sub-adviser makes investment decisions for the assets it has been allocated to manage, subject to the overall supervision of BAIA. BAIA oversees each sub-adviser for compliance with the Fund’s investment objective, policies, strategies, and restrictions, and monitors each sub-adviser’s adherence to its investment style. In allocating the Fund’s assets, BAIA has discretion to not allocate any assets to one or more sub-advisers at any time.

THE NEW SUB-ADVISORY AGREEMENTS

At a meeting of the Board held on August 11-12, 2020, the Board, including a majority of the Board members who are not interested persons of the Fund within the meaning of the Investment Company Act of 1940, as amended (the “1940 Act”) (the “Independent Trustees”), approved each of Jasper and Seiga, as sub-advisers to the Fund and, in connection therewith, also approved a sub-advisory agreement between BAIA and Jasper and a sub-advisory agreement between BAIA and Seiga. The sub-advisory agreement with Jasper became effective as of January 1, 2021 and the sub-advisory agreement with Seiga became effective as of December 23, 2020.

Under its sub-advisory agreement, subject to the supervision and oversight of BAIA, each of Jasper and Seiga will furnish continuously an investment program for the Fund, determining what investments to purchase, hold, sell, or exchange and what portion of the Fund’s assets to hold uninvested, with respect to its Allocated Portion, in compliance with the Fund’s governing documents, registration statement, investment objective, policies, and restrictions, and applicable law and subject to the oversight of the Board.

Each sub-adviser is responsible for its expenses incurred in connection with managing its Allocated Portion. Seiga receives, as compensation for its services, fees from BAIA (not the Fund) each quarter based on an annual percentage of the average daily net assets of its Allocated Portion. Jasper receives, as compensation for its services, fees from BAIA (not the Fund) each quarter based on an annual percentage of the average daily net assets of its Allocation Portion that increase or decrease proportionately with the investment performance of its Allocated Portion in relation to the investment record of an appropriate securities index in accordance with Section 205(b)(2) of the Investment Advisers Act of 1940, the related rules thereunder, and an exemptive order BAIA and the Trust received from the SEC on August 25, 2020.

The initial term of the new sub-advisory agreement with Jasper extends until January 1, 2023 and the initial term of the sub-advisory agreement with Seiga extends until December 23, 2022. After the initial term, each sub-advisory agreement shall continue in effect for successive periods of no more than twelve (12) months each, only so long as such continuance is specifically approved at least annually (i) by the Board or by vote of a majority of outstanding voting securities of the Fund, and (ii) by a majority of the Independent Trustees.

Each sub-advisory agreement may be terminated, without penalty, (a) by the Board, or by a vote of a majority of the outstanding voting securities of a Fund, upon 60 days' prior written notice to BAIA and the sub-adviser; (b) by the sub-adviser upon 60 days' prior written notice to BAIA and the Fund; or (c) by BAIA upon 61 days' written notice to the sub-adviser. Each sub-advisory agreement may also be terminated by BAIA immediately upon a material breach of the agreement by sub-adviser, which is not promptly cured. Each sub-advisory agreement will terminate automatically in the event of its assignment or the termination of the Advisory Agreement. In addition, at the discretion of BAIA, (a) the agreement with Jasper may be terminated (i) if Bo Huang ceases to be employed by Jasper or ceases to oversee the assets allocated by BAIA or (ii) if Jasper or any officer, director, or key portfolio manager (including, without limitation, Bo Huang) of Jasper is accused in any regulatory, self-regulatory, or judicial proceeding of violating federal securities laws or engaging in criminal conduct; and (b) the agreement with Seiga may be terminated (i) if Keita Arisawa ceases to be employed by Seiga or ceases to oversee Seiga's management of the assets allocated by BAIA or (ii) if Seiga or any executive officer, director, or key portfolio manager (including, without limitation, Keita Arisawa) of Seiga is accused in any regulatory, self-regulatory, or judicial proceeding of violating federal securities laws or engaging in criminal conduct constituting a felony.

Under the exemptive order referenced above, so long as certain conditions are satisfied, each sub-advisory agreement may be amended materially without shareholder approval. However, the exemptive order requires generally that shareholders of the Fund receive notice within 90 days of the hiring of a new sub-adviser and that the Fund provide shareholders with information that is similar to that which would have been included in a proxy statement to shareholders.

The existing sub-advisers' sub-advisory agreements and services provided pursuant to such agreements are unchanged as a result of the Board's approval of the new sub-advisers, except that the amount of each existing sub-advisers' Allocated Portions may change as a result of the addition of the new sub-advisers.

The form of each of the sub-advisory agreements with Jasper and Seiga is attached as Exhibit A.

INFORMATION ABOUT JASPER

Jasper was founded in 2017. As of February 28, 2021, Jasper had approximately \$360 million in assets under management. The principal owner of Jasper is Jasper Capital Cayman Limited, whose principal owner is Dr. Yiping Wang, whose address is listed below.

Jasper seeks to generate alpha by identifying mispricings that arise from the market's high level of retail investor participation (due to, for example, behavioral biases) and arbitrage opportunities created by regulatory frictions. Jasper employs a quantitative investment process centered on the creation of alpha factors. This process consists of single factor research and analysis, factor integration, portfolio construction, and algorithmic execution.

The following table provides information on the principal executive officers and directors of Jasper. The business address of each person is c/o Jasper, Golden Centre, Unit 1701, 17/F, 188 Des Voeux Road Central, Hong Kong Island.

Neither BAIA nor any of its affiliates controls Seiga or Seiga Asset Management (Cayman) Limited.

Seiga is a pan-Asia fundamental long/short equity manager primarily focused on markets in Japan and China. Seiga performs fundamental bottom-up research focusing on market inefficiencies and idiosyncratic ideas.

Seiga seeks to generate alpha by taking advantage of mispricing across regional markets prone to dislocations. Seiga identifies investment opportunities using specific stock picking criteria with a thematic overlay. The research process includes analysis of core value drivers and the source of mispricing. Seiga employs a disciplined and balanced approach to portfolio construction in order to make it possible to run a concentrated portfolio with full expression of fundamental stock picks.

BOARD CONSIDERATIONS

At its meetings on August 11-12, 2020, the Board, including a majority of the Independent Trustees, approved the sub-advisory agreements with Jasper and Seiga, respectively. At the meetings, the Board had discussions with BAIA and reviewed and considered various written materials and oral presentations in connection with each of Jasper's and Seiga's proposed services, including with respect to the nature, extent, and quality of services, profitability, fees and expenses, investment performance, code of ethics, and compliance program. Additionally, the Board considered the process undertaken during its consideration and approval of the Advisory Agreement between BAIA and the Trust, on behalf of the Fund, and the sub-advisory agreements between BAIA and each of the existing sub-advisers. The Board (and separately, the Independent Trustees) conferred with the Independent Trustees' independent legal counsel to consider the information provided.

Following an analysis and discussion of the factors identified below, the Board, including a majority of the Independent Trustees, approved the sub-advisory agreement with Jasper and the sub-advisory agreement with Seiga.

Nature, Extent, and Quality of the Services

Jasper. The Board discussed and considered (1) Jasper's personnel, operations, and financial condition; (2) Jasper's strengths, including its experience as a quantitative investor in the China A-share market; (3) a general framework for determining the percentage of assets that would be allocated to Jasper; (4) the potential investment return on the assets that would be managed by Jasper and related investment risks; (5) Jasper's experience and performance as a hedge fund manager and the extent to which Jasper's strategy for the Fund is expected to overlap with its hedge fund strategy; and (6) the experience and depth of Jasper's portfolio management team managing hedge funds and other products and its ability to manage risk. The Board concluded that the nature, extent, and quality of the sub-advisory services provided were appropriate and thus supported a decision to approve the proposed initial sub-advisory agreement with Jasper.

Seiga. The Board discussed and considered (1) Seiga's personnel, operations, and financial condition; (2) Seiga's strengths, including its specialized team focusing on markets in China and Japan and its consistent and repeatable investment process; (3) a general framework for determining the percentage of assets that would be allocated to Seiga; (4) the potential investment return on the assets that would be managed by Seiga and related investment risks; (5) Seiga's experience and performance as a hedge fund manager, and the extent to which Seiga's strategy for the Fund is expected to overlap with its hedge fund strategy; and (6) the experience and depth of Seiga's portfolio management team managing hedge funds and other products and its ability to manage risk. The Board concluded that the nature, extent, and quality of the sub-advisory services provided were appropriate and thus supported a decision to approve the proposed sub-advisory agreement with Seiga.

Costs of Services and Profitability

In analyzing the cost of services and profitability of each of Jasper and Seiga, the Board discussed (i) each sub-adviser's proposed sub-advisory fee for managing the allocated assets of the Fund; (ii) each sub-adviser's resources expected to be devoted to the Fund for investment analysis, risk management, compliance, and order execution; and (iii) any information provided in response to inquiries regarding the profitability of each sub-adviser from providing sub-advisory services to the Fund. The Board considered the specific resources that each of Jasper and Seiga is expected to devote to the Fund for investment analysis, risk management, compliance, and order execution, and the extent to which each sub-adviser's investment process is or would be scalable.

The Board noted that the compensation paid to each sub-adviser was paid by BAIA, not the Fund, and, accordingly, that the retention of each sub-adviser did not increase the fees or expenses otherwise incurred by shareholders of the Fund. It also noted that the terms of each sub-advisory agreement were the result of separate arm's-length negotiations between BAIA and the sub-adviser. The Board considered information comparing the proposed sub-advisory fees to the fees that each sub-adviser charges for providing investment advisory services to certain other clients. The Board also considered information regarding the potential impact that retaining each of Jasper and Seiga as sub-advisers to the Fund may have on BAIA's profitability, as well as information about the blended average of all sub-advisory fees that BAIA was expected to pay the sub-advisers based on anticipated allocations of Fund assets among the sub-advisers. The Board concluded that the level of investment sub-advisory fees was appropriate in light of the services to be provided.

Economies of Scale

The Board discussed various financial and economic considerations relating to the proposed arrangement with each of Jasper and Seiga, including the potential for economies of scale. The Board considered the proposed breakpoints in the sub-advisory fees to be payable to each of Jasper and Seiga. The Board noted that it would have the opportunity to periodically re-examine whether the Fund had achieved economies of scale, as well as

the appropriateness of sub-advisory fees payable, with respect to different asset sizes of the portfolio, in the future. The Board also noted that, although not directly related to the sub-advisory fee payable to the sub-adviser, certain Fund expenses were subject to an expense cap, an undertaking by BAIA intended to limit the Fund's overall expenses at smaller asset levels, although the Fund's expenses were sufficiently limited such that the expense cap did not currently apply.

Other Benefits

The Board discussed other potential benefits that each of Jasper and Seiga may receive from the Fund, including soft dollar arrangements, receipt of brokerage and research services, and the opportunity to offer additional products and services to Fund shareholders or BAIA. The Board noted that each sub-adviser benefited from its relationship with BAIA. The Board concluded that other ancillary or "fall out" benefits derived by each sub-adviser from its relationship with BAIA or the Fund, to the extent such benefits were identifiable or determinable, were reasonable and fair, resulted from the provision of appropriate services to the Fund and its shareholders, and were consistent with industry practice and the best interests of the Fund and its shareholders.

Other Considerations

The Board reviewed and considered certain terms and conditions of each sub-advisory agreement. After discussion, the Board concluded that the terms of each sub-advisory agreement were reasonable and fair. It was noted that the Board would have the opportunity to periodically re-examine the terms of the sub-advisory agreement in the future.

Conclusion

The Board, including all of the Independent Trustees, concluded that the fees payable under each sub-advisory agreement were fair and reasonable with respect to the services that Jasper and Seiga would each provide to the Fund and in light of the other factors described above that the Board deemed relevant. The Board also considered information that it had received regarding BAIA's review of each sub-adviser's compliance program. The Board based its approval of each of the sub-advisory agreements on a comprehensive consideration of all relevant information presented to the Board at its meetings throughout the year, as applicable, and not as a result of any single controlling factor. The Board was also assisted by the advice of independent legal counsel in approving the sub-advisory agreements.

Where the Allocated Portion takes the form of a Basket Swap(s) and/or Basket Note(s), the defined term “Allocated Portion” shall, where necessary or appropriate to give the same effect to the provision as if the Strategy were otherwise implemented, refer to not only the securities or other instruments held in the Allocated Portion but also the securities or other instruments comprising or held in any basket or account that serves as the reference, hedging account or collateral for any such Basket Swap or Basket Note. The Sub-Adviser hereby accepts such appointment and agrees during such period, subject to the oversight of the Board and the Adviser, to render the services and to assume the obligations herein set forth for the compensation stated in Section 5 hereof. The Sub-Adviser shall for all purposes herein be deemed to be an independent contractor and shall, except as expressly provided or authorized (whether herein or otherwise), have no authority or obligation to act for or represent the Adviser, the Trust, or the Fund in any way.

- b. Limitations of Sub-Adviser’s Responsibility. Except as expressly set forth in this Agreement, the Sub-Adviser shall not be responsible for aspects of the Fund’s investment program other than the management of the Allocated Portion in accordance with the Strategy.
- c. Sub-Advisory Arrangement Not Exclusive for Fund and Sub-Adviser. It is acknowledged and agreed that the Adviser may appoint from time to time other sub-advisers in addition to the Sub-Adviser to manage the assets of the Fund that do not constitute the Allocated Portion and nothing in this Agreement shall be construed or interpreted to grant the Sub-Adviser an exclusive arrangement to act as the sole sub-adviser to the Fund. It is further acknowledged and agreed that the Adviser makes no commitment to designate any portion of the Fund’s assets to the Sub-Adviser as the Allocated Portion. The Adviser also recognizes that the Sub-Adviser may be or become associated with other investment entities and engage in investment management for others. Except to the extent necessary to perform its obligations hereunder, nothing herein shall be deemed to require the Sub-Adviser to devote any minimum amount of time or attention to the management of the Allocated Portion. Except as otherwise expressly provided herein, nothing herein shall be deemed to limit or restrict the right of the Sub-Adviser or its principals, affiliates, officers and employees to engage in, or to devote time and attention to the management of any other business, whether of a similar or dissimilar nature, or to render services of any kind to any other corporation, firm, individual or association. The Sub-Adviser may on occasion give advice or take action with respect to other investment entities that it manages that differs from, or conflicts with, the advice given to the Adviser or the Fund with respect to the Allocated Portion.

2. Sub-Adviser Duties.

The Sub-Adviser is hereby granted (subject to the limitations set forth herein and in the Supplemental Agreement) the following authority and undertakes to provide the following services and to assume the following obligations:

- a. Supervision; Adviser Retains Certain Authority. In furnishing the services hereunder, the Sub-Adviser will be subject to the supervision of the Adviser and the Board. Upon written notice to the Sub-Adviser, the Adviser retains complete authority, to the extent permitted under the Advisory Agreement, to immediately assume direct responsibility for any function delegated to the Sub-Adviser under this Agreement.
- b. Continuous Investment Program. The Sub-Adviser shall formulate and implement a continuous investment program for the Allocated Portion in accordance with the Strategy, including determining what portion of such assets will be invested or held uninvested in cash or cash equivalents. Without limiting the generality of the foregoing, the Sub-Adviser is authorized to: (i) make investment decisions for the Fund in respect of the Allocated Portion, including decisions for the investment and reinvestment of the assets (including cash and cash-equivalent assets) held in the Allocated Portion;

- (ii) place purchase and sale orders for portfolio transactions in respect of the Allocated Portion and manage otherwise uninvested cash or cash equivalent assets of the Allocated Portion; (iii) use financial derivative instruments and any portfolio management techniques and instruments as may in the reasonable opinion of the Sub-Adviser be necessary in order to implement the Strategy; and (iv) subject to Section 2(d) below, execute account documentation, agreements, contracts, and other documents as may be requested by brokers, dealers, counterparties, and other persons in connection with the Sub-Adviser's management of the Allocated Portion (in such respect, and only for this limited purpose, the Sub-Adviser will, as necessary to effect such documentation, agreements, contracts and other documents, act as the Adviser's and the Fund's agent and attorney-in-fact).
- c. Management in Accordance with Fund Governing Documents and Procedures. The Sub-Adviser will manage the Allocated Portion subject to and in accordance with:
- i. the Strategy;
 - ii. the investment policies and restrictions of the Fund set forth in the Fund's Agreement and Declaration of Trust, as amended, By-Laws and the Fund's registration statement (as from time to time amended, supplemented, and in effect, the "**Registration Statement**") (collectively, the "**Governing Documents**"), in each case to the extent applicable to the Allocated Portion;
 - iii. the requirements applicable to registered investment companies under applicable laws, including without limitation the 1940 Act and the rules and regulations thereunder and the Internal Revenue Code of 1986, as amended, and the rules and regulations thereunder applicable to qualification as a "regulated investment company";
 - iv. any service level agreement that may be agreed between the parties from time to time;
 - v. any reasonable written instructions which the Adviser or the Board may issue to the Sub-Adviser from time to time, and which are not inconsistent with the Governing Documents, the Procedures (defined below) and applicable law, as determined by the Sub-Adviser. The Adviser acknowledges that the Sub-Adviser shall rely upon the Adviser's determination of whether and to what extent the Fund overall (i.e., the Allocated Portion together with all other assets of the Fund) is in compliance with Subchapter M of the Code and the requirements of the 1940 Act, and that the Sub-Adviser has no separate and independent responsibility to test the Fund overall for any such compliance. For the avoidance of doubt and except as otherwise agreed to in writing by the Sub-Adviser, in managing the Allocated Portion as set forth above, the Sub-Adviser shall have no responsibility with respect to any assets of the Fund that are outside of the Allocated Portion; and
 - vi. In the event of any conflict between information contained in the Governing Documents, on the one hand, and the Strategy, on the other hand, the Strategy will control.
- d. The Sub-Adviser also agrees to conduct its activities hereunder in accordance with any applicable procedures or policies adopted by the Board with respect to the Fund, solely to the extent applicable to the Allocated Portion, as from time to time in effect and communicated in writing to the Sub-Adviser (the "**Procedures**"). The Adviser has provided to the Sub-Adviser copies of all current Governing Documents and current Procedures and shall promptly provide to the Sub-Adviser any changes, including amendments or supplements thereto. The Adviser shall promptly furnish the Sub-Adviser with such additional information as may be reasonably necessary for or reasonably requested by the Sub-Adviser to perform its responsibilities pursuant to this Agreement or as the Sub-Adviser may otherwise reasonably request. Notwithstanding anything to the contrary, Sub-Adviser will not be liable for acting in accordance with existing forms of Governing Documents or the Procedures prior to being notified of any amendments thereto.

- e. Fund Counterparties. Subject to the Sub-Adviser's duty to seek best execution in accordance with its compliance policies and procedures adopted pursuant to Rule 206(4)-7 under the Investment Advisers Act of 1940, as amended (the "Advisers Act"), and subject to applicable law, including restrictions under the 1940 Act with respect to transactions with affiliates, the Sub-Adviser will utilize counterparties and/or clearing members for prime brokerage, futures clearing, listed and OTC options and swap services, ISDA services, and other transactions in financial derivative instruments under agreements set up by, and in the name of, the Adviser or the Fund, or a vehicle set up on Morgan Stanley's ALPHAS platform. The Sub-Adviser will provide reasonable assistance to the Adviser in negotiating trading terms and other arrangements with counterparties and/or clearing members upon reasonable request. In effecting transactions for the Allocated Portion, the Sub-Adviser will utilize broker-dealers and swap execution facilities, if applicable, for trade execution selected by the Sub-Adviser, and accounts set up by the Sub-Adviser with such broker-dealers and swap execution facilities. The Adviser will be responsible for managing any collateral and margin requirements associated with investments made for the Allocated Portion (where applicable), including providing instructions to the Custodian (as defined herein) and will perform in-house reconciliation procedures on such accounts.
- f. Reports. The Sub-Adviser shall render such reports to the Board and the Adviser as they may reasonably request concerning the investment activities of the Sub-Adviser with respect to the Allocated Portion. On each business day, the Sub-Adviser shall provide reports (to which the Adviser will have access) to the Fund's administrator (the "**Administrator**") regarding (i) the securities or other instruments, including, without limitation, cash and cash equivalents, held in the Allocated Portion; and (ii) the securities or other instruments purchased and sold for the Allocated Portion by the Sub-Adviser on such business day. The Sub-Adviser also shall provide such additional information to the Adviser or the Administrator regarding the Sub-Adviser's implementation of the Strategy as the Adviser or Administrator may reasonably request in such format as the Adviser or Administrator may reasonably request.
- g. Proxy Voting. The parties hereby agree that the Sub-Adviser shall assume responsibility for voting proxies and making all other voting and consent determinations with respect to the issuers of securities and other instruments held in the Allocated Portion in accordance with the Sub-Adviser's then-existing proxy voting policies and procedures (a copy of which has been provided by the Sub-Adviser to the Adviser); *provided* that the Sub-Adviser's proxy voting policies and procedures for the Allocated Portion are not inconsistent with the proxy voting policies and procedures adopted by the Fund and provided to the Sub-Adviser from time to time. The Sub-Adviser will be provided access to materials relating to such proxies in a timely fashion by the Fund's custodian, the Administrator or another party. Upon the written request of the Adviser, the Sub-Adviser shall provide disclosure regarding its proxy voting policies and procedures in accordance with the requirements of Form N-1A for inclusion in the Registration Statement of the Trust. To the extent that the Sub-Adviser votes proxies for the Fund, the Sub-Adviser shall report to the Adviser in a timely manner a record of all proxies voted, in such form and format that permits the Fund to comply with the requirements of Form N-PX with respect to the Allocated Portion. During any annual period in which the Sub-Adviser has voted proxies for the Fund, the Sub-Adviser shall, as may reasonably be requested by the Adviser, certify as to its compliance with its proxy voting policies and procedures and applicable federal statutes and regulations.
- h. Filing Claims. The parties hereby agree that the Sub-Adviser shall not be responsible for the filing of claims (or otherwise causing the Fund, with respect to the Allocated Portion only, to participate) in class action litigation, settlements, bankruptcy proceedings, or similar proceedings in which shareholders may participate related to securities currently or previously associated with the Allocated Portion. Notwithstanding the foregoing, at the Sub-Adviser's reasonable request, Sub-Adviser may assume responsibility for the filing of claims (or otherwise causing the Fund to participate) in class action litigation, settlements, bankruptcy proceedings, or similar proceedings related to securities currently or previously associated with the Allocated Portion.

- i. Sub-Adviser's Management and Monitoring of the Allocated Portion. The Sub-Adviser shall be responsible for daily monitoring of the investment activities and portfolio holdings associated with the Allocated Portion according to a monitoring system that is reasonably designed to ensure compliance with the Strategy, relevant Governing Documents and Procedures, and applicable law. The Adviser or the Trust on behalf of the Fund, as applicable, shall timely provide to the Sub-Adviser all information and documentation that the parties mutually agree are necessary or appropriate for the Sub-Adviser to fulfill its obligations under this Agreement. The Sub-Adviser shall act on any reasonable instructions of the Adviser with respect to the services provided by the Sub-Adviser hereunder with respect to the Allocated Portion to facilitate the Fund's compliance with the Governing Documents, Procedures, and applicable law, in each case to the extent pertaining to the Allocated Portion.
- j. Daily Transmission of Information to Custodian. In connection with any purchase and sale of securities or other instruments for the Allocated Portion, the Sub-Adviser will arrange for the transmission to the custodian for the Fund (the "**Custodian**") on a daily basis such confirmation, trade tickets, and other documents and information, including, but not limited to, CUSIP, Sedol, or other numbers that identify the securities or other instruments to be purchased or sold on behalf of the Fund, as may be reasonably necessary to enable the Custodian to perform its custodial, administrative, and recordkeeping responsibilities with respect to the Fund. Copies of such confirmations, trade tickets, and other documents and information shall be provided concurrently to the Administrator. With respect to securities or other instruments to be settled through the Fund's Custodian, the Sub-Adviser will arrange for the prompt transmission of the confirmation of such trades to the Custodian. The parties acknowledge that the Sub-Adviser is not a custodian of the Fund's assets and will not take possession or custody of such assets.
- k. Assistance with Valuation. The Sub-Adviser will provide reasonable assistance to the Adviser, the Custodian, the Administrator or another similar party designated by the Adviser in assessing the fair value of securities or other instruments held in the Allocated Portion for which market quotations are not readily available or for which the Adviser or the Board has otherwise determined to fair value such portfolio holdings.
- l. Provision of Information and Certifications. The Sub-Adviser shall timely provide to the Adviser and the Trust, on behalf of the Fund, all information and documentation they may reasonably request as necessary or appropriate in order for the Adviser and the Board to oversee the activities of the Sub-Adviser and to comply with the requirements of the Governing Documents, the Procedures, and any applicable law, including, without limitation, (i) information and commentary relating to the Sub-Adviser or the Allocated Portion for the Fund's annual and semi-annual reports, in a format reasonably approved by the Adviser, together with (A) a certification that, to the best of the Sub-Adviser's knowledge, such information and commentary accurately describe the factors that the Sub-Adviser reasonably believes materially affected the performance of the Fund with respect to the Allocated Portion, including the relevant market conditions and the investment techniques and strategies used and (B) additional certifications related to the Sub-Adviser's management of the Allocated Portion in order to support the Fund's filings on Form N-CSR, Form N-PORT and other applicable forms, and the Fund's Principal Executive Officer's and Principal Financial Officer's certifications under Rule 30a-2 under the 1940 Act, thereon; (ii) within 5 business days of a quarter-end, a quarterly certification with respect to compliance and operational matters related to the Sub-Adviser and the Sub-Adviser's management of the Allocated Portion (including, without limitation, compliance with the Procedures), in a format reasonably requested by the Adviser, as it may be amended from time to time; and (iii) an annual certification from the Sub-Adviser's Chief Compliance Officer, appointed under Rule 206(4)-7 under the Advisers Act, with respect to the design and operation of the Sub-Adviser's compliance program, in a format reasonably requested by the Adviser.

- m. Code of Ethics. The Sub-Adviser will maintain a written code of ethics (the “**Code of Ethics**”) that complies with the requirements of Rule 17j-1 under the 1940 Act (“**Rule 17j-1**”), a copy of which will be provided to the Adviser and the Fund, and will institute procedures reasonably necessary to prevent any Access Person (as defined in Rule 17j-1) from violating its Code of Ethics. The Sub-Adviser also will certify quarterly to the Trust on behalf of the Fund and the Adviser that it and its “Advisory Persons” (as defined in Rule 17j-1) have complied materially with the requirements of Rule 17j-1 during the previous quarter or, if not, explain what the Sub-Adviser has done to seek to ensure such compliance in the future. Annually, the Sub-Adviser will furnish a written report, which complies with the requirements of Rule 17j-1 and Rule 38a-1, concerning the Code of Ethics and its compliance program, respectively, to the Trust and the Adviser. The Sub-Adviser shall notify the Adviser promptly upon becoming aware of any material violation of the Code of Ethics involving the Fund. Upon request of the Board or the Chief Compliance Officer on behalf of the Fund or the Adviser with respect to material violations of the Code of Ethics directly affecting the Fund, the Sub-Adviser will permit representatives of the Trust or the Adviser to examine reports (or summaries of the reports) required to be made by Rule 17j-1 relating to enforcement of the Code of Ethics. The Sub-Adviser will provide such additional information regarding such material violations of the Code of Ethics involving the Fund as the Board or the Chief Compliance Officer on behalf of the Fund or the Adviser may reasonably request in order to assess the functioning of the Code of Ethics or any harm caused to the Fund from such violation of the Code of Ethics, but reserving the right to assert all applicable legal privileges, provided that such assertion does not conflict with the Fund’s or the Board’s compliance with applicable law or any confidentiality obligations. Further, the Sub-Adviser represents and warrants that it has policies and procedures regarding the detection and prevention of the misuse of material, nonpublic information by the Sub-Adviser and its employees.
- n. Sub-Adviser Review of Materials. Upon the Adviser’s reasonable request, the Sub-Adviser shall review and comment upon selected portions relating to the Sub-Adviser and/or the Strategy of the Registration Statement, other offering documents and ancillary sales and marketing materials prepared by the Adviser for the Fund (with respect to the Sub-Adviser’s provision of the services under this Agreement or the Strategy or performance with respect to the Allocated Portion), and participate, at the reasonable request and, unless otherwise agreed, sole expense of the Adviser, in educational meetings with placement agents and other intermediaries about portfolio management and investment-related matters with respect to the Allocated Portion. The Sub-Adviser will promptly inform the Fund and the Adviser upon becoming aware that any information in the Registration Statement relating to the Sub-Adviser or the Strategy is (or will become) inaccurate or incomplete.
- o. Regulatory Communications and Notices. To the extent legally permissible, the Sub-Adviser shall promptly notify the Adviser regarding any material inspections, notices or inquiries from any governmental, administrative or self-regulatory agency, including without limitation, any deficiency letter, responses to deficiency letters or similar communications or actions (i) relating to the Sub-Adviser’s management of the Allocated Portion or (ii) that involve matters that could reasonably be viewed as material to the Sub-Adviser’s ability to provide services to the Fund. To the extent that such inspections, notices, or inquiries relate to the Sub-Adviser’s management of the Allocated Portion, the Sub-Adviser shall promptly make available the relevant documents (or relevant portions of the documents) for inspection by the Adviser unless, in the opinion of the Sub-Adviser’s counsel, the Sub-Adviser would be legally prohibited from doing so. Notwithstanding the foregoing, the Sub-Adviser shall not be required to provide the Adviser notice of any routine exams or sweep exams conducted by any governmental, administrative or self-regulatory agency unless such exams (i) relate to the Sub-Adviser’s management of the Allocated Portion or that otherwise relate to the Fund or (ii) that involve matters that could reasonably be viewed as materially adverse to the Sub-Adviser’s ability to provide services to the Fund.
- p. Notice of Material Actions / Change in Control. To the extent legally permissible, the Sub-Adviser will keep the Trust and the Adviser informed of developments relating to its duties as Sub-Adviser hereunder that the Sub-Adviser reasonably believes would have a material adverse effect on the

Fund. To the extent legally permissible, the Sub-Adviser will promptly notify the Adviser in writing of the occurrence of any of the following events (i) it is served or otherwise receives notice of, or is threatened with, any non-routine material action, suit, proceeding, inquiry or investigation, at law or in equity, before or by any court, governmental, administrative or self-regulatory agency, or public board or body, (A) involving the affairs of the Fund or (B) that may reasonably be expected to materially and adversely affect the investment management business of the Sub-Adviser and (ii) any change in the actual control or management of the Sub-Adviser or change in the portfolio manager(s) primarily responsible for the day-to-day management of the Allocated Portion.

3. **Broker-Dealer Selection.**

To the extent provided in the Registration Statement, and in accordance with applicable law and applicable policies and procedures of the Sub-Adviser, as approved by the Board (the “**Sub-Adviser Procedures**”), the Sub-Adviser shall, in the name of the Fund, place orders for the execution of portfolio transactions for the Allocated Portion, when applicable, with or through such brokers, dealers or other financial institutions described in Section 2(e) hereof. Subject to the foregoing, the Sub-Adviser shall use its reasonable best efforts to obtain best execution on all portfolio transactions executed in respect of the Allocated Portion. The Sub-Adviser may, to the extent permissible by Section 28(e) of the Securities Exchange Act of 1934, as amended (the “**Exchange Act**”) and consistent with applicable Sub-Adviser Procedures, consider, among other things, the financial responsibility, research and investment information, and other services provided by broker-dealers who may effect or be a party to any such transaction or to other transactions to which other clients of the Sub-Adviser may be a party.

On occasions when the Sub-Adviser deems the purchase or sale of a security to be in the best interest of the Fund as well as other clients of the Sub-Adviser, the Sub-Adviser may, in accordance with applicable law and any relevant Sub-Adviser Procedures, aggregate the securities to be so purchased or sold with other orders for other clients of the Sub-Adviser in order to obtain best execution. In such event, allocation of the securities so purchased or sold, as well as of the fees and expenses incurred in the transaction, will be made by the Sub-Adviser consistent with the Sub-Adviser’s Procedures and in the manner it considers to be equitable and consistent with its fiduciary obligations to the Fund (with respect to the Allocated Portion only) and to such other clients.

On an ongoing basis, at such times as the Adviser or the Board shall request, the Sub-Adviser will provide a written report to the Adviser and the Board, in a form reasonably agreed between the Sub-Adviser and the Adviser, summarizing (i) the brokerage details with respect to transactions executed by the Sub-Adviser for the Allocated Portion and (ii) the “soft dollar” arrangements that the Sub-Adviser maintains, with respect to the Allocated Portion, with brokers or dealers that execute transactions for the Allocated Portion, and of all research and other services provided to the Sub-Adviser by a broker or dealer (whether prepared by such broker or dealer or by a third party) as a result, in whole or in part, of the direction of Fund transactions for the Allocated Portion to the broker or dealer.

4. **Books and Records; Periodic Reports.**

- a. Maintenance Requirements. The Sub-Adviser shall maintain such books and records with respect to the Allocated Portion as are required by law, including, without limitation, the 1940 Act (including, without limitation, the investment records and ledgers required by Rule 31a-1) and the Advisers Act, and the rules and regulations thereunder (the “**Fund’s Books and Records**”). The Sub-Adviser agrees that the Fund’s Books and Records are the Fund’s property and further agrees to surrender promptly to the Trust or the Adviser the Fund’s Books and Records upon the request of the Board or the Adviser; *provided, however*, that the Sub-Adviser may retain copies of the Fund’s Books and Records at its own cost. The Sub-Adviser shall make the Fund’s Books and Records available for inspection and use by the SEC and other regulatory authorities having authority over the Sub-Adviser, the Fund, the Trust, the Adviser, or any person retained by the Board at all reasonable times as requested by the Adviser or the Board. Where applicable, the Fund’s Books and Records

shall be maintained by the Sub-Adviser for the periods and in the places required by Rule 31a-2 under the 1940 Act. In the event of the termination of this Agreement, the Fund's Books and Records will be returned to the Trust or the Adviser *provided, however*, that the Sub-Adviser may retain copies of the Fund's Books and Records as may, in the sole discretion of the Sub-Adviser, be reasonably necessary to comply with applicable law. The Adviser and Fund's Chief Compliance Officer shall, at reasonable times and upon reasonable advance notice, be provided with access to the Sub-Adviser's documentation and records relating to the Fund and copies of such documentation and records.

- b. Periodic Reports. The Sub-Adviser shall (i) render to the Board such periodic and special reports as the Board or the Adviser may reasonably request and as the Sub-Adviser may reasonably agree in order to facilitate compliance with the requirements of the Governing Documents, Procedures and applicable law; and (ii) meet with representatives of the Adviser or the Board at the reasonable request of the Adviser or the Board for the purpose of reviewing the Sub-Adviser's compliance with this Agreement at reasonable times and upon reasonable advance notice.

5. Compensation of the Sub-Adviser.

The Adviser will pay the Sub-Adviser for its services with respect to the Fund the compensation specified in Appendix A to this Agreement.

6. Allocation of Charges and Expenses.

The Sub-Adviser shall bear its expenses of providing services pursuant to this Agreement, including, without limitation, the Sub-Adviser's operating and overhead expenses attributable to its duties hereunder. It is understood that, pursuant to the Advisory Agreement, the Fund will pay all expenses other than those expressly stated to be payable by the Sub-Adviser hereunder or by the Adviser under the Advisory Agreement, which such expenses payable by the Fund shall include, without limitation, those set forth in Section 4 of the Advisory Agreement. For the avoidance of doubt, in connection with transactions entered into by the Sub-Adviser with respect to the Allocated Portion, the Fund (and not the Sub-Adviser) shall bear all brokerage commissions, ticket charges, clearing fees, interest charges, financing charges, and applicable withholding and other taxes associated with such transactions.

7. Standard of Care; Breach.

- a. Standard of Care. The Sub-Adviser will act in good faith and use reasonable care and act in a manner consistent with applicable federal and state laws and regulations in rendering the services it has agreed to provide under this Agreement.
- b. Notification, Curing Breach. The Sub-Adviser will notify the Adviser as soon as reasonably practicable upon detection of any material breach by the Sub-Adviser of the 1940 Act, the Governing Documents, the Procedures, the Strategy, or this Agreement. The Adviser will notify the Sub-Adviser as soon as reasonably practicable upon detection of any material breach by the Adviser of the 1940 Act, the Governing Documents or the Procedures (to the extent that such breach could have a material adverse effect on the Allocated Portion).

Each party shall use commercially reasonable efforts to cooperate with the other party in curing any regulatory or compliance breaches or breaches of this Agreement as promptly as possible.

- c. No Representation Regarding Investment Performance. The Sub-Adviser makes no representation or warranty that any level of investment performance or level of investment results will be achieved.

8. Use of Names and Track Record.

- a. Adviser's and Fund's Use of Sub-Adviser Name. For so long as the Fund remains in existence, the Adviser and the Fund shall have a limited, royalty-free license to use the name of the Sub-Adviser, including any short-form of such name, or any combination or derivation thereof, for the purpose of identifying the Sub-Adviser as a sub-adviser to the Fund. The Sub-Adviser acknowledges and agrees that the Adviser, the Fund and the Fund's selling agents will use such names in marketing the Fund to current and prospective investors. The license granted herein shall cease, and the Adviser and the Fund shall cease to use the name of the Sub-Adviser in any newly printed, or to be distributed materials (except as may, in the sole discretion of the Adviser, be reasonably necessary to comply with applicable law) promptly upon termination of this Agreement. During the term of this Agreement, the Sub-Adviser shall have the right, upon reasonable request and at its own expense, to review all sales and other marketing materials utilizing the name of the Sub-Adviser and any combination or derivation thereof, *provided, however*, that if the Sub-Adviser fails to comment in writing (including via e-mail) by the end of the fifth business day after delivery of such materials, the Sub-Adviser will be deemed to have granted consent on the end of the fifth business day following delivery of such materials to the Sub-Adviser for approval.
- b. Restrictions on Use of Adviser's Name. The Sub-Adviser shall not use the name of the Trust, the Fund, the Adviser, "Blackstone Alternative Asset Management L.P." or "Blackstone" (or any combination or derivation thereof) in any material relating to the Sub-Adviser in any manner not approved prior thereto in writing by the Adviser or another part of The Blackstone Group Inc. (other than inclusions of such entities in lists of the Sub-Adviser's clients), provided, however, that the Sub-Adviser may (i) name the Trust, the Fund, the Adviser and/or Blackstone Alternative Asset Management L.P. or Blackstone in accordance with its obligations to make filings pursuant to applicable law and (ii) include statements regarding this Agreement in its marketing materials consistent with the disclosures made by the Adviser and the Fund in their public filings and marketing materials. Each of the Adviser and the Sub-Adviser represents and warrants that it will not make, or cause or allow any of its affiliates to make, any oral or written statement to any third party that disparages, defames, or reflects adversely upon the Trust, the Fund, or the Adviser or the Sub-Adviser, as applicable. For the avoidance of doubt, nothing in this Agreement shall restrict the Adviser, its affiliates, the Trust, or the Fund or the Sub-Adviser or its affiliates from making factual statements in required disclosures (including shareholder report discussions or Fund performance), in reports to the Trust's Board of Trustees, or in response to regulatory inquiries.
- c. Sub-Adviser's Use of Track-Record. The Sub-Adviser may use performance data it generates in connection with the Fund, *provided* that the Fund is not specifically identified by name without approval in writing by the Adviser; and provided further, that the Sub-Adviser may identify the Fund in a manner consistent with the disclosures made by the Adviser and the Fund in their public filings and marketing materials.

9. Liability and Indemnification.

- a. Absent the Sub-Adviser's material breach of this Agreement or the willful misconduct, bad faith, gross negligence, or reckless disregard of its obligations or duties hereunder on the part of the Sub-Adviser, or its officers, directors, partners, agents, employees, and controlling persons, the Sub-Adviser shall not be liable for any act or omission in the course of, or connected with, rendering services hereunder or for any losses that may be sustained in the purchase, holding, or sale of any position; *provided, however*, that the obligations of the Sub-Adviser with respect to a "Trade Error" or "Compliance Error" (as defined in the Procedures, as the same may be amended from time to time) shall be as set forth in the Procedures. Prior to effecting any material change to the definitions in the Procedures of Trade Error or Compliance Error (or to any associated obligations or liabilities of the Sub-Adviser), the Adviser agrees to provide written notice to the Sub-Adviser at least 35 days prior to the material change becoming effective with respect to the Allocated Portion unless, in the

reasonable discretion of the Adviser, such change must become effective earlier due to any applicable law, rule, regulation or court order. It is acknowledged and agreed that any Trade Error or Compliance Error that results in a gain to the Fund shall inure to the benefit of the Fund. For the avoidance of doubt, it is acknowledged and agreed that the Fund is a third party beneficiary of the indemnity granted in this Section 9(a) and Section 9(c) below, and the indemnity is intended to cover claims by the Fund, the Trust (on behalf of the Fund), or the Adviser against the Sub-Adviser for recovery pursuant to this section.

- b. The Sub-Adviser acknowledges that it has received notice of and accepts the limitations upon the Fund's liability set forth in its Agreement and Declaration of Trust, as amended. The Sub-Adviser agrees that any of the Fund's obligations shall be limited to the assets of the Fund and that the Sub-Adviser shall not seek satisfaction of any such obligation from the shareholders of the Fund nor from any other series of the Trust or any Trustees or officer, employee, or agent of the Fund or other series of the Trust.
- c. The Sub-Adviser shall indemnify the Fund and the Adviser and each of their respective trustees, members, officers, employees, and shareholders, and each person, if any, who controls the Fund or the Adviser within the meaning of Section 15 of the Securities Act, against, and hold them harmless from, any and all losses, claims, damages, liabilities, costs, and expenses (including, without limitation, reasonable attorneys' and accountants' fees and disbursements) (collectively, "**Losses**") asserted by any third party in so far as such Losses (or actions with respect thereto) arise out of or are based upon (i) any actual material misstatement or omission in the Fund's Registration Statement, any proxy statement, or communication to current or prospective investors in the Fund relating to disclosure provided to the Adviser or the Fund by the Sub-Adviser for inclusion in such documents; or (ii) the bad faith, willful misconduct or gross negligence by the Sub-Adviser in the performance of its duties under this Agreement or reckless disregard of its obligations or duties hereunder. For the avoidance of doubt, it is acknowledged and agreed that the indemnity in this Section 9(c) shall not operate to limit in any way the indemnification granted by the Sub-Adviser to the Adviser, the Fund, or the Trust (on behalf of the Fund) in Section 9(a) above.
- d. All participating affiliate agreements shall subject the personnel providing such services to the Sub-Adviser's compliance and other programs with respect to their activities on behalf of the Allocated Portion and such persons shall be subject to the Sub-Adviser's standard of care and confidentiality obligations under this Agreement. For the avoidance of doubt, it is acknowledged and agreed that the Sub-Adviser assumes full responsibility for all actions, and any failure to act, by each person utilized by the Sub-Adviser to perform services under this Agreement.

Copies of such confirmations, trade tickets, and other documents and information shall be provided concurrently to the Administrator. With respect to securities or other instruments to be settled through the Fund's Custodian, the Sub-Adviser will arrange for the prompt transmission of the confirmation of such trades to the Custodian. The parties acknowledge that the Sub-Adviser is not a custodian of the Fund's assets and will not take possession or custody of such assets.

The Sub-Adviser will provide such additional information regarding violations of the Code of Ethics as the Board or the Chief Compliance Officer on behalf of the Fund or the Adviser may reasonably request in order to assess the functioning of the Code of Ethics or any harm caused to the Fund from a violation of the Code of Ethics, but reserving the right to assert all applicable legal privileges, provided that such assertion does not conflict with the Fund's or the Board's compliance with applicable law or any confidentiality obligations. Further, the Sub-Adviser represents and warrants that it has policies and procedures regarding the detection and prevention of the misuse of material, nonpublic information by the Sub-Adviser and its employees.

- n. Sub-Adviser Review of Materials. Upon the Adviser's request, the Sub-Adviser shall review and comment upon selected portions relating to the Sub-Adviser and/or the Strategy (including the

To the extent that such inspections, notices, or inquiries relate to the Fund, the Sub-Adviser shall promptly make available such documents to the Adviser unless, in the opinion of the Sub-Adviser's counsel, the Sub-Adviser would be legally prohibited from doing so. Notwithstanding the foregoing, the Sub-Adviser shall not be required to provide the Adviser notice of any routine exams or sweep exams conducted by any governmental, administrative or self-regulatory agency unless such exams (i) relate to the Sub-Adviser's management of the Allocated Portion or that otherwise relate to the Fund or (ii) that involve matters that could reasonably be viewed as material to the Sub-Adviser's ability to provide services to the Fund.

- d. thereof is to be made against a party against whom indemnification is sought under Section 9(c) or 9(d) (the “**Indemnifying Party**”) notify the Indemnifying Party in writing of the commencement of such Proceeding; provided that, the failure to so notify the Indemnifying Party shall not relieve the Indemnifying Party from any indemnification liability which it may have to the Indemnified Party. No Indemnifying Party shall be liable under this section for any settlement of any Proceeding entered into without its consent with respect to which indemnity may be sought hereunder.

- f. The rights of indemnification provided in this section shall not be exclusive of or affect any other rights to which any person may be entitled by contract or otherwise by law.

15. Confidentiality.

- a. Except as expressly authorized in this Agreement or as required by applicable law, regulation or court order, each party hereto and its affiliates (each, for purposes of this section, the “**Recipient Party**”) shall keep confidential and shall not use or disclose, except with the consent of the other party hereto (each, for purposes of this section, the “**Disclosing Party**”), any and all non-public, proprietary or confidential information concerning the business of the Disclosing Parties and/or their affiliates or investors, or potential investors, therein obtained in connection with the services rendered under this Agreement, including, without limitation, Portfolio Information (the “**Information**”); provided that the Recipient Party may make such disclosure to its directors, officers, partners, employees, agents, advisors, service providers, potential financing counterparties or representatives, including legal and compliance personnel (collectively, the “**Representatives**”) who (i) need to know the Information in connection with this Agreement, (ii) have been informed of the confidential nature of such Information and (iii) have been advised that such Information is to be kept confidential and not used for any other purpose. Notwithstanding the foregoing, the Trust and the Adviser shall be permitted to disclose Information to any third party in connection with the operation of the Fund or subject to a non-disclosure agreement, provided that such third party has been advised that such Information is to be kept confidential and the Adviser shall not identify the securities and other instruments held in the Allocated Portion as specifically attributable to the Allocated Portion or the Sub-Adviser in any disclosure of such Portfolio Information (except for disclosures to Representatives). The term “**Information**” will not include information that (i) is or becomes publicly available other than as a result of a disclosure by the Recipient Party in violation of this section; (ii) is or becomes available to the Recipient Party or its Representatives from a source other than the Disclosing Party, which source, to the knowledge of the Recipient Party or its Representatives, does not have an obligation of confidentiality to the Disclosing Party with respect to such information; (iii) was already in the Recipient Party’s possession or the possession of its Representatives prior to receiving such information from the Disclosing Party; or (iv) is developed independently by the Recipient Party or its Representatives without use of the Information. Notwithstanding anything to the contrary provided elsewhere herein, none of the confidentiality provisions in this section shall in any way limit the activities of Adviser and its affiliates in their businesses of providing services to the Trust or other clients.

- b. Portfolio Information. As used herein “**Portfolio Information**” means confidential and proprietary information of the Fund, the Adviser or the Sub-Adviser that is received by a party hereto in connection with this Agreement, and information with regard to the portfolio holdings, investment activity and characteristics of the Fund.
- c. The Adviser will not permit any Representative or affiliate of the Adviser to use Portfolio Information with respect to the Allocated Portion to trade for its own account or the account of any other person for the purpose of “reverse engineering” the investment or trading methodologies of the Sub-Adviser. In furtherance of the foregoing, the Adviser shall restrict access to the Portfolio Information to those employees of the Adviser or their affiliates or agents who will use it only for purposes reasonably related to the provision of services to the Fund.
- d. Each of the Adviser and the Sub-Adviser agrees that it shall exercise the same standard of care that it uses to protect its own confidential and proprietary information, but no less than reasonable care, to protect the confidentiality of the Information.
- e. Each Recipient Party acknowledges the global nature of each Disclosing Party’s businesses and the efforts the Disclosing Parties undertake to develop, preserve and protect their Information and their business and competitive advantage and goodwill. Accordingly, each Recipient Party acknowledges and agrees that the restrictions, limitations and obligations in this section are reasonable and necessary for the protection of the legitimate business interests of the Disclosing Parties and their affiliates.
